Support for Legislation to Modify Wetland Replacement Requirements

WHEREAS, State Representative Anzelc has authored legislation modifying wetland replacement requirements in counties with 80% or more of their pre-settlement wetland remaining, officially known as House File No. 2105, and

WHEREAS, Aitkin County has in excess of 80% of their pre-settlement wetlands remaining, and

WHEREAS, current state law regulating replacement of wetlands affected by building activities creates undue hardship for economic development activities in Aitkin County, and

WHEREAS, modification of wetland replacement requirements in Aitkin County would enhance local economic development, and

WHEREAS, the provisions of HF 2105 are in full compliance with statutory requirements that Minnesota retain an overall no net loss of wetlands policy.

NOW, THEREFORE, BE IT RESOLVED, that Aitkin County supports House File No. 2105, modifying wetland replacement requirements, as proposed by State Representative Anzelc.

CERTIFIED COPY OF RESOLUTION OF COUNTY BOARD OF AITKIN COUNTY, MINNESOTA

ADOPTED March 6, 2012

By Commissioner: Marcotte

030612-019

Classification of Lands Forfeited to the State for Taxes

WHEREAS, under Statute 282, the Aitkin County Board of Commissioners, is acting on behalf of the state under laws allowing the county board to classify and manage tax-forfeited lands held by the state in trust for the local units, and

WHEREAS, parcels of land becoming the property of the state in trust under law declaring the forfeiture of lands to the state for taxes must be classified by the county board of the county in which the parcels lie as conservation or nonconservation. In making the classification the board has considered the present use of adjacent lands, the productivity of the soil, the character of forest or other growth, accessibility of lands to established roads, schools, and other public services, their peculiar suitability or desirability for particular uses, and the suitability of the forest resources on the land for multiple use and sustained yield management. The classification, furthermore, must: (1) encourage and foster a mode of land utilization that will facilitate the economical and adequate provision of transportation, roads, water supply, drainage, sanitation, education, and recreation; (2) facilitate reduction of governmental expenditures; (3) conserve and develop the natural resources; and (4) foster and develop agriculture and other industries in the districts and places best suited to them, and

WHEREAS, a public meeting was held on March 6th, 2012 at the regular county board meeting and that prior to meeting for the purpose of classifying or reclassifying tax-forfeited lands, the county board gave notice of its intent to meet for that purpose in postings, on the web site, and in the local newspaper, in addition to sending letters to any township or city in which the properties were located, and

WHEREAS, at the meeting, no objections were raised on any of the attached parcels.

THEREFORE, BE IT RESOLVED, that the following parcels be classified as follows:
