RE: Long Lake Conservation Center Phone Update

DATE: July 18, 2012

At the July 10th County Board meeting the Board was made aware of the phone system at LLCC camp being down due to possible lightning strike. The management team is meeting with staff on Monday, July 23rd and will provide an update for possible action to approve a phone system at the July 24th Board meeting.

Please see attached memo for discussion.

Subject: LLCC mgt team 7/23 meeting 8:30 AM

A major topic of discussion will involve the LLCC phone system...

Steve Bennett from IT will be there so we all can find out what you have, what you need, and how to get it up and running.

Does MCIT cover this damage? Where are we at in this process?

Currently LLCC pays Frontier between \$500-\$600/month for their service... what does that entail (phone, internet, etc.)?

Is there a better system that could meet LLCC's needs and save money (from Frontier or someone else)?

This is the time to figure it out.
