

Report to Aitkin County Commissioners on Tuesday, September 11, 2012

Wooden Eagle in front of the Aitkin County Courthouse

- Eagle was taken to David Alcott near Malmo to restore the eagle.
- Move the eagle into the courthouse on the second floor with wheels under the eagle so it can be moved around for cleaning.
- What will happen to the base out in front of the courthouse.

Memorial committee have taken the eagle down, had it restored and will place it in the courthouse.

Sidewalk from Highway 210 up to the memorial

- We had Aitkin County Highway department draw a plan for the sidewalk
- Got two estimates for the sidewalk from Larry Espeseth and Carl Kurtz
- We would like to start the work within the week so we are finished with the memorial by mid October.

Aitkin County Commissioners stated they would pay for the sidewalk and lighting of the memorial. If you don't have the money at this time the memorial committee would be able to pay the cost and would like to get the work done this fall and pay for everything. We would like a written agreement that the Commissioners would repay the memorial committee by July, 2013 and this money would be used for perpetual care.

Lighting has an estimate to install lighting one on the back of the memorial and two lights on the front. We have one estimate from Joe Antoine.

Memorial committee will pay for Three (3) concrete benches around the memorial. Tim Kostal will get the benches and inscribe the names and organizations on one bench which will be placed on the back side of the memorial.

Memorial committee will purchase a chain fence to place around the memorial so no one will be climbing on the memorial.

Report submitted by the All Veterans Memorial steering committee
