Mr. J. Mark Wedel
Aitkin County Board Chairperson
Aitkin County Commissioner
515 Sixth Avenue Southeast
Aitkin, MN 56431

Dear Mr. Wedel:

The Minnesota Department of Transportation (MnDOT) invites you to help us shape the way we will invest \$18 billion in Minnesota's 12,000-mile state highway network over the next 20 years.

We want your feedback on the 20-year State Highway Investment Plan (MnSHIP). Participant feedback will be one of the key inputs when MnDOT establishes investment priorities. Please join us in October to tell us your priorities related to:

- The condition of our pavement, bridges and roadside infrastructure
- Safety improvements
- The movement of goods and people between major trade centers statewide and within the Twin Cities metropolitan area
- Bicycle and accessible pedestrian facilities
- Improvements to address regional and community concerns

Enclosed is information on the upcoming meetings. Please feel free to share this information with others who may be interested in participating. The event will include:

- **A brief presentation** – learn what MnSHIP is and how MnDOT is using risk, performance measures and scenario planning to shape future highway projects;
- **Scenario planning input session** – give MnDOT feedback on how you want to see investment in the state highway network; and
- **Open house** – build your own future investment scenario (play the MnSHIP Game), use the online budgeting tool and learn how MnSHIP is related to other MnDOT initiatives in your area.

You may also participate online at: www.dot.state.mn.us/planning/statehighwayinvestmentplan/

We look forward to seeing you there!

Steven J. Voss
District Planning Director

For Immediate Release

MnDOT to host statewide stakeholder engagement meetings on 20-year Minnesota State Highway Investment Plan in October

Online interactive scenario tool & comment form also available

ST. PAUL, Minn. – The public and transportation stakeholders are invited to participate in developing the 20-year Minnesota State Highway Investment Plan at meetings across the state Oct. 4-23.

Public input at these meetings is one of several important factors that will influence the Minnesota Department of Transportation’s priorities over the next 20 years.

Each meeting is three hours long and begins with an overview presentation and public input session. An open house will follow, with opportunities to engage in interactive exercises and with MnDOT staff. Meeting details are below:

Willmar – Oct. 4

1 - 4 p.m.
Kandiyohi County Health and Human Services Building
2200 23rd St. NE

Detroit Lakes – Oct. 9

1 - 4 p.m.
Holiday Inn
1155 Highway 10 E.

Mankato – Oct. 10

2 - 5 p.m.
MnDOT District 7 Headquarters
2151 Bassett Drive

Duluth – Oct. 11

12:30 - 3:30 p.m.
MnDOT District 1 Headquarters
1123 Mesaba Ave.

St. Cloud – Oct. 15

1:30 – 4:30 p.m.
MnDOT District 3B Headquarters
3725 12th St. N.

Twin Cities – Oct. 16

1 - 4 p.m.
Richfield Lutheran Church
8 W. 60th St, Minneapolis

Rochester – Oct. 17

4 - 7 p.m.
University Center Rochester
851 30th Ave. SE

Bemidji – Oct. 22

3:30 – 6:30 p.m.
MnDOT District 2A Headquarters
3920 Highway 2 W.

Twin Cities – Oct. 23

5 - 8 p.m.
MnDOT Training and Conference Center
1900 W. County Road I,

RE: Notice of Certificate of Need Application for Line 67 Station Upgrade Project

No New Right-of-Way or Pipeline Construction Required

MN-PUC Docket No. PL9/CN-12-590

Dear Elected Official/Community/Tribal Leader:

Enbridge Energy, Limited Partnership ("Enbridge") is proposing to expand the capacity of its Line 67 Pipeline as part of its ongoing efforts to meet North America's needs for reliable and secure transportation of petroleum energy supplies.

The project, known as the Line 67 Station Upgrade Project ("Project"), would increase the annual average capacity of Line 67 from 450,000 barrels per day ("bpd")¹ to 570,000 bpd, providing Enbridge with the ability to deliver an incremental 120,000 barrels per day of secure and reliable crude oil supplies to refineries and numerous marketing hubs throughout the Midwest and beyond. Those refineries, in turn, supply transportation fuels, heating oil, asphalt, jet fuel, petrochemicals and petrochemical feed stocks needed in our homes, industry, and transportation. The Project involves the installation of new pumping units, including all valves and appurtenances, and other minor station modification work at Enbridge's Viking, Clearbrook and Deer River Pump Station sites, which are located in Marshall, Clearwater and Itasca Counties, Minnesota. **The Project will not require the acquisition of new land or require pipeline construction outside the pump stations.** All work will be performed within the footprint of Enbridge's pump stations. A Project Overview Map is provided as Attachment 1a.

Pending regulatory approval by the Minnesota Public Utilities Commission ("MPUC"), the Project would be in-service by July 1, 2014. The additional capacity will help relieve capacity constraints on Enbridge's Mainline System and provide refineries access to crude oil

¹ As Approved by the MPUC in Docket No. PL9/CN-07-465.

Line 67 Station Upgrade Project

Page 2

Line 67 Station Upgrade Project supplies from western Canada, Montana and North Dakota, as supplies from these prolific production areas are continuing to rise.

You are receiving this letter because you are an elected official, tribal government official, government agency representative, or community leader who has jurisdiction within the notice area. The notice area is defined as property traversed by Line 67 and "abutting property" which is located immediately adjacent to Enbridge's pumping station sites where Project work will be performed but that is not traversed by Line 67. Please see the following attached overview map which depicts the Line 67 stations receiving upgrades.

The purpose of this letter is to notify you of Enbridge's Project plans and provide details on how you can participate in the MPUC's regulatory review process. A similar notice is being mailed to landowners whose property is crossed by Line 67 and abutting property owners and residents located immediately adjacent to Enbridge's pumping stations area where Project work will be performed.

Enbridge has filed a certificate of need application with the MPUC for review and approval. To view a copy of the application, visit the MPUC's website at www.puc.state.mn.us, choose the "Search E-Dockets" link, select "12" from the first Docket Number dropdown box and enter "590" in the second box. The MPUC must certify that the Project is needed before Enbridge can construct the Project. The application process is governed by Minnesota Law, including Chapter 7853 of the Minnesota Rules and Chapter 216B of the Minnesota Statutes.

To receive information from the MPUC regarding the Certificate of Need proceedings for the proposed Line 67 Station Upgrade Project, you may:

- **Request to have your name added to the Line 67 Station Upgrade Project Certificate of Need mailing list** to receive official mailings related to this Certificate of Need filing. Please send your request by mail, fax or email to the attention of Ben Stearney at the Minnesota Public Utilities Commission, 121 7th Place E., Suite 350, St. Paul, MN 55101, Fax: 651-297-7073 or ben.stearney@puc.state.mn.us.
- **Register to receive email notifications** each time new information is filed within a corresponding docket by subscribing via the Commission's eDocketing system. To subscribe, visit the MPUC's website at www.puc.state.mn.us and click on "Subscribe to a Docket" button, enter your email address and select "Docket Number" from the "Type of Subscription" drop-down box. Then select "12" from the first Docket Number dropdown box and enter "590" in the second box before clicking on the "Add to List" button. You must then click the "Save" button at the bottom of the page to confirm your subscription to the Line 67 Station Upgrade Project Docket.

Line 67 Station Upgrade Project

Page 3

Requesting to have your name added to the Line 67 Station Upgrade Project Certificate of Need mailing list or registering to receive email notifications will not make you a party to the certificate of need proceeding.

For more information, you may:

- **Contact MPUC staff** directly using the information below.

Re: Joel Ellis Potentially Dangerous Dog Citation
ICR No. 12-3668

Dear Mr. Wussow:

I'm in receipt of your notice scheduling this hearing for October 9 at 9:30 a.m. However, I am a Public Defender for the Ninth Judicial District and am scheduled to appear in Itasca County District Court on that date.

If possible, I would appreciate it if someone from your office would call my paralegal, Brenda, to coordinate a hearing date to avoid any further delay.

Thank you for your assistance.

Sincerely,

Chad B. Sterle

Grand Rapids, MN 55744
218-327-4106

Dear County and MnDNR officials:

We are very, very concerned about the lake level of Round Lake located in Waukenabo Township. Of particular concern is the appearance that someone is tampering with the outlet to the lake, making the lake level the lowest it has been in years. It seems almost impossible that a lake that is spring fed and had record high levels in early to mid summer is now so low.

We have also been receiving copies of correspondence from a landowner near the outlet that causes us great concern in what is or may be happening with the outlet. We assume the County and/or MnDNR are aware of this correspondence and is working with the landowner and/or taking appropriate action against the landowner. Who is responsible for the maintenance of the outlet? The outlet has now been sandbagged (we assume by County or MnDNR officials), but it is highly unlikely that this can be a permanent solution to the problem.

We have owned property on the lake for years and have enjoyed fishing, boating, swimming, and the beauty of the lake and do not want to see any of this compromised. The low level of the lake affects the shoreline and recreational use of the lake. We would like to know if our concerns are valid and, if so, what steps are being taken by Aitkin County and/or the MnDNR to help resolve this issue.

Thank you for your time and consideration.

Sincerely,

Deb Frank
Secretary, Double E Homeowners Association

Aitkin County Association of Townships

Serving all of Aitkin County

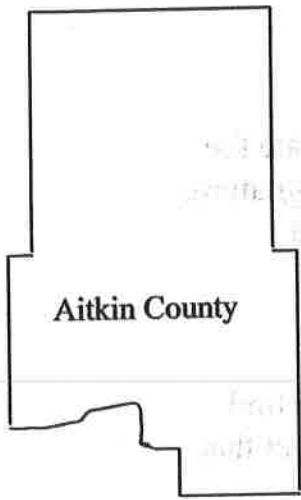

The next quarterly meeting of the Association will be October 18, 2012 at the Hazelton Town hall at 7:30p.m.

Our guest speaker is someone from the Secretary of State office on the Voter ID Amendment and other election issues.

All are Welcome to attend, so invite your residents also.

Looking forward to seeing you all.

Anita
pjamande@mlecwb.net (home email)

Aitkin County Association of Townships

Serving all of Aitkin County

July 19, 2012 Quarterly Business Meeting

Call to Order was made at 7:31pm with 20 townships represented, (Hazelton had full board in attendance). Visitors included Garry Drotts (DNR), Dave Schaaf, Reno Wells (District 11 Director), Carrie Ruud, Dale Lueck, Anne Marcotte (Commissioner for District 5), Kirk Peysar, Carolyn McEflatrick (former State Rep.) and 5 residents.

Pledge recited

Sect Report – Motion to accept as mailed was made by Robert Skogman with a second by Stan Nix, approved.

Treas. Report was read by Anita and a motion by Bill Dotzler, with a second by Gerry Wickham, approved.

Correspondence - L & R, MAT Notice on Resolution, Commissioner Frans Townhall meetings, was all gone through with a note made that donations can now be made after 8/1 to First Responder groups without a contract and insurance requirement. Note to think about the Annual convention coming up November 15-17th for donations and attendance.

Reno spoke on Chapter 157 – Public Food, watch that especially for fund raisers, as you may need to get a permit or inspection. Reminded us that even though the signage issue seemed to go away, the post issue did not! January 17, 2013 must have “Crash Worthiness” posts (breakaways). No sales tax for townships (ST3) for anything as there have been many questions. Look for a NaTAT report. District 11 meeting in Walker starting at 6pm September 12th, Annual Convention in St. Cloud, November 15th - 17th, Legal Seminar October 6th from 9-4 (Call 888-316-1176 if interested).

Dale Lueck also District 10 stated that Representatives and Senators need to contact the local areas of government before acting.

Guest Speaker: Gary Drotts from the Wildlife Management area had many good points from; State Land is a Treasurer to keep, Mining operation is going on in the Tamarack area (State issued Permit), Problem with land exchanges that need to be resolved (now what ever habitat is disturbed, is replaced at the exchange site, even if it does not fit the area). Deer license are \$30.00 this year (first increase in many years). Wildlife, population of the census helping to set antlerless permits and regulate license. Wolf season is long over due, but watch the harvest. www.dnr.state.mn.us is a good place to get information.

Next meeting will be at the Hazelton Town Hall October 18th at 7:30p.m.

Adjournment was done on a motion by Bob Harwarth and second by Gerry Wickham at 8:50pm

Respectfully,
Anita Anderson
Secretary/Treasurer

ENGAGE ~ EDUCATE ~ INSPIRE

KINSHIP SUCCESS STORY

Justice has been a part of the Kinship Program for 8 years. She has participated in our programming from being mentored, participating in our Good Character Club during her 4th—6th Grade years and has now entered her second year of Youth Leadership. Justice is transitioning into successful adulthood.

Justice sharing what she is Above the Influence of.

Justice has been involved in everything from hot dog sales to successfully introducing a Social Host Ordinance to our local County Commissioners and Aitkin City Council. Justice has been a two time participant of the Circle of Youth Engagement Leadership Training. She has also attended Peace Jam and has recently been selected to the Youthrive Junior Cabinet team, a Statewide team of 8th and 9th grade exceptional youth leaders who are excited about leadership, peace, and engaging with adults and other youth. Callie Aguilar from Youthrive, has this to say about Justice, “Justice brings energy and knowledge of youth voice to the team. She is exceptional at sharing power with peers and adults and does not fear taking on new challenges. Her motivation to learn new things and meet new people inspires her teammates to do the same”.

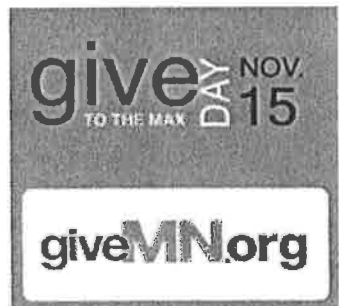

giveMN.org

Click. Contribute. Change Your World.

Since 1991, Kinship of Aitkin County has been playing an important role in the development of the children and youth in our community through afterschool programs and more. They learn self confidence, team -work, leadership and social skills, as well as how to cope with the success and failures that life throws at them. The things they learn will help them not only deal with the pressures of childhood but prepare them for adulthood as well.

With your help, we can continue to change the future for kids like Justice. Your gifts will help children like Justice realize their dreams.

Won't you help us make it a reality?

Mentor Program

Back to School Makeover Success

Forty children and youth participated in the Back-to-School Makeover on Saturday, August 25. Each student received their school supplies for the coming year as well as a certificate for a hair cut and a \$30 gift card for Walmart. The goal of the Back-to-School Makeover is to help ensure that each child experiences a successful start to the new school year.

Thank you to United Methodist Church, Little Pine Church, First Lutheran Church, St. James Catholic Church, Westside Church, The Office Shop, and Unclaimed Freight for accepting school supply donations.

Kinship now has a Peer Mentoring Program

Starting in September, Kinship Youth Leaders are now being trained to become Peer Mentors to the long list of waiting elementary children in Aitkin who are still waiting for an adult volunteer mentor. These youth leaders took the initiative to step forward and make a difference in a younger child's life. These youth will spend time with their mentee after school twice a month assisting these youngsters with homework, reading or just playing board games. Not only will they be making a difference in the life of a young child, but they will be increasing their own personal leadership skills as well.

Youth involved in mentoring programs have been shown to be less likely to experiment with drugs, less likely to be physically aggressive, and less likely to skip school than those not involved in such programs. Peer mentors provide the important extra support that many younger people need to make it through a difficult period in their lives -- when peer pressure and the desire to fit in are strong influences.

Good Character Clubs 1-6

Character Crossroads, Kinship's 4th-6th Grade afterschool program began September 13! We are pleased to announce, in our second year of programming at Rippleside Elementary School we have had a 70% increase of children registering for this program.

The Good Character Club for grades 1st through 3rd begins Tuesday, October 2nd from 3:00 - 4:30 p.m. in the Media Center at Rippleside.

If you would like to register your child for these fun and educational programs call the Kinship Office!

Learn About The Youth Leadership Service Learning Project

Youth Leaders chose their service learning project for this year, we have partnered up with H2O for life, and will be raising money for the Njedza Primary School in Malawi. There is an urgent need for clean water, sanitation, and hygiene in schools and communities around the world. As important as water is to us individually, as is funding to our project. This gives our youth the opportunity to learn about and become invested in the global community, and to become activists for positive change. Our students will study the issues surrounding the water crisis, learn about their partner schools community and country. They are starting their planning and will soon be implementing multiple fundraisers to raise funds to help bring water and sanitation to their partner school.

Kinship
of Aitkin County

How You Can Help!

Mentor. Giving of yourself and your time is an incredible way to help Kinship of Aitkin County. Our mentor program is completely volunteer-driven and we are always looking for individuals who can spend just a few hours a week with a child as another positive role model in their lives.

Volunteer. Individuals who are passionate about mentoring, but unable to do so themselves, can become Kinship ambassadors. We need people to help after school with the Good Character Clubs for elementary students and Youth Leadership for teens, as well as help with office tasks and our various events throughout the year.

Participate in Events. Look for annual Butterfly Social in May. For \$25, you can enjoy a day of Hats and Handbags that will be auctioned off and partake in a delightful luncheon. Be a part of planning our Mentoring Is Magic day in September. Enter your best soup or chili in our Chili and Soup Cook-Off which is held right before the Aitkin Fish House Parade.

Become a Financial Donor. Without the support of financial donors, we could not keep the doors of Kinship of Aitkin County open. Money is needed for our 4 Steps Toward Youth Success Program that includes mentoring and free afterschool programming for children in grades K-12. Through our monthly giving club, Friends of Kinship, individuals donate regularly to help ensure that that our community's youth are getting the support they need to reach their full potential.

Invite Us to Speak. If you belong to a civic club, church group, or other organization, we would love to come and share information about the Kinship program and the work we do with children.

Shirley Amundson
Kinship's new
Program Assistant

Shirley Amundson has been working under Central Minnesota Jobs and Training Program since 2009, but has only worked under Kinship since August of 2012.

Shirley grew up in Aitkin and went to Aitkin Public Schools until she graduated. After graduation she went to the cities and spent 15 years working at the Vets Hospital. Upon coming back to Aitkin she spent 26 years at the Aitkin Community Hospital (former name) then changed the name to Riverwood Health Care Center. It was later sold to St. Francis Health Care of Morrison MN. And now is called Aitkin Health Care Center. Shirley's hobbies include walking, reading, and enjoying her grandchildren.
