B) **Payment Rates.** The Provider shall be paid for authorized and delivered services as agreed to by the parties of this Contract. Rate setting authority originates from this Contract and not from MMIS Service Agreements. Rates as agreed to in this Contract must agree and be accurately reflected in MMIS. Rate schedules attached to this agreement via Attachment(s) C are incorporated into this Contract by reference herein and are deemed part of this Contract.

1. No advance payments will be made under this Contract.
2. Payment for residential absence is not permitted through the BI, CAC, CADI, DD or EW waivers and AC. 4. The Lead County may allow the Provider to negotiate the rate it will charge for some services, subject to MMIS rate limits. The Provider must provide sixty (60) calendar days written notice to the Lead County, eligible persons, and responsible parties to change rates as required by individual service needs. Existing eligible person's service authorizations continue at the previous rate for the duration of the authorization unless the Lead County agrees otherwise. Rate changes must be approved by the Lead County prior to being implemented.
 - a. The 60-day written notice, as described in 5B (4), will be waived in cases of emergency or extenuating circumstances. In such cases, the Provider must provide the Lead County with reasonable notice in order to change rates. Timeliness of the notice will be determined by the Lead County.

6. METHODS OF BILLING

A) Billing MMIS for Purchased Services

- 1) The Provider shall submit invoices to the State of Minnesota following the policies and procedures established for payment of Minnesota Health Care Program services,

- 2) In the event that services provided to eligible persons may be reimbursed by private health insurance, Long Term Care Insurance, Medical Assistance State Plan services, or Medicare, the Provider shall bill such third parties before billing home and community-based services and the State of Minnesota.
- 3) The Provider agrees to notify the State of Minnesota if full or partial payment is received from any source other than this Contract for any eligible person also paid by the State. In such cases, the Provider shall return to the State any duplicate payment made by the State for such eligible persons.
- 4) The parties understand and agree that the Provider will have sole responsibility for the collection of other fees or revenues, with the exception of Alternative Care fees. Further, the parties agree that the Lead County or other Financially Responsible Agency shall accept no responsibility for the collection or subsidization of bad debts related to other revenue for Purchased Services.
- 5) The Provider shall bill consistent with applicable Minnesota Rules in effect at the time the service was performed.
- 6) The Provider will bill only for services actually delivered and only for days when services were actually delivered. Providers may not bill for days a person is absent from his or her residence.

B) Billing the Financially Responsible Agency for Authorized and Purchased Services

- 1) The Provider shall submit billing invoices within thirty (30) calendar days after Purchased Services have been delivered to eligible persons. Invoices shall be submitted to the Financially Responsible Agency in a format and according to a process communicated by the Financially Responsible Agency.
- 2) The Financially Responsible Agency will make payment within thirty (30) calendar days from the receipt of the invoice. If the invoice is incorrect, defective or otherwise improper, the Financially Responsible Agency will notify the Provider within ten (10) working days of receiving the incorrect invoice. Upon receiving the corrected invoice, the Financially Responsible Agency will make payment within thirty (30) calendar days.
- 3) The Provider shall prepare an invoice for any other Financially Responsible Agency paying for an eligible person in cases where the Lead County under this contract is not the Financially Responsible Agency for an individual.
- 4) In the event that services provided to eligible persons may be reimbursed by private health insurance, Long Term Care Insurance, Title XIX Medical Assistance, or Medicare, the Provider shall bill such third parties before billing home and community-based services and the State of Minnesota.
- 5) The Provider agrees to notify the Financially Responsible Agency if full or partial payment for Purchased Services is received from any other source for any eligible person when those Purchased Services were also paid for by the Financially Responsible Agency. In such cases, the Provider shall return to the Financially Responsible Agency any duplicate payment made by the Financially Responsible Agency for such eligible persons.
- 6) The parties understand and agree that the Provider will have sole responsibility for the collection of other fees or revenues, with the exception of Alternative Care fees. Further, the parties agree that the neither the Lead County nor any other Financially

HOME AND COMMUNITY-BASED WAIVER SERVICES CONTRACT

Responsible Agency shall have responsibility for the collection or subsidization of bad debts related to other revenue for Purchased Services.

- 7) The Provider will bill consistent with Minnesota Rules, part 9525.0950, subpart 1, or in effect at the time the service was performed.
- 8) The Provider agrees not to include in the charges for services any administrative or program cost assignable to private pay or third-party pay service recipients.
- 9) The Provider will bill only for services actually delivered.

7. DISCONTINUATION/TERMINATION OF SERVICES FOR INDIVIDUALS

- A) **Provider Inability to Provide Services.** The Provider shall, within no more than ten (10) business days of its determination, notify the Financially Responsible Agency of its determination that it is unable to, or will be unable to, provide the required quality or quantity of Purchased Services for an individual person.
 - 1) A transition plan must be developed with the person's case manager/care coordinator. The Financially Responsible Agency will implement the transition plan within the subsequent twenty (20) calendar days of notification of inability to provide services.
- B) **Safety of the Person.** If the Lead County or other Financially Responsible Agency has sufficient reason to believe that the safety or well-being of a person receiving services may be endangered by actions of the Provider, its agent and/or employees, the Lead County or other Financially Responsible Agency may require that the Provider immediately terminate providing services to the person. The Lead County or other Financially Responsible Agency may also remove the person from the care of the Provider. These actions may be taken forthwith and may continue for such a period as is reasonably necessary for the Lead County or other Financially Responsible Agency to determine that the safety and well-being of the person has been assured. If it is determined that the safety and well-being of the person will remain in jeopardy, the Financially Responsible Agency may terminate the MMIS Service Agreement for a specific individual. No payments shall be made for the period during which services are suspended or terminated. In the event of such suspension or termination, the Provider shall be entitled to payment, determined on a pro rata basis, for the work or services satisfactorily performed.
- C) **Notice of Discharge/Termination.** The Provider agrees to give at least a 30-day written notice to the Financially Responsible Agency, the person to be discharged, and the person's responsible party or legal representative whenever the Provider proposes to discharge or terminate service(s) to a person who has received services, unless other legal requirements impose a longer notice period, in which case the longer notice period applies. This notice of action must include the specific grounds for termination and document attempts to address those reasons with the Financially Responsible Agency. The Provider shall not terminate services or discharge a person before giving such notice or before the proposed date unless delay would seriously endanger the health, safety, or well-being of the person or others. This includes the provider terminating service(s) to a person because of non-payment of an EW Waiver Obligation or Medical Assistance Spenddown.

HOME AND COMMUNITY-BASED WAIVER SERVICES CONTRACT

- D) **Written Procedures.** The Provider agrees to establish and provide to the Lead County and Financially Responsible Agencies written procedures for terminating services to a person. The written procedures shall include provision for notification of the case manager, the person to be discharged, and the person's responsible party or legal representative. The written procedures shall state that the Provider will assist the Financially Responsible Agency to ensure a smooth transition to other services. A written summary of information and transfer of records will be included in the procedures.

8. PROVIDER QUALIFICATIONS AND TRAINING

- A) The Provider agrees to use only qualified personnel to provide any Purchased Services. If licensing or certification is a necessary prerequisite for provision of services, the Provider shall ensure that personnel are properly licensed or certified and meet standards described in the applicable federally-approved state waiver plans.
- B) The Provider agrees to provide or arrange for staff training as required in Minnesota Statutes and Minnesota Rules, in compliance with training requirements under Minnesota waiver plans and as specified in the respective individual plan of each person served under this Contract, or if the Financially Responsible Agency has additional training requirements as per the individual support plan. A copy of the staff-training plan shall be provided to the Lead County and to other persons as requested. Upon Lead County or Financially Responsible Agency's request, the Provider shall provide a copy of records that show that the training plan has been implemented.
- C) The Provider agrees to maintain at all times during the term of this Contract a process whereby its current and prospective employees and volunteers, who will have direct contact with persons served by the program or its services, will consent to a background study under Minnesota Statutes, Chapter 245C. The Provider agrees to ensure that employees and volunteers who have direct contact with persons served by its program or services are supervised or removed from direct contact to access to persons receiving its services as required under Minnesota Statutes, Chapter 245C.13.
- D) All persons 18 years and older under this current contract categorically fall under the definition of Vulnerable Adults as defined in Minnesota Statutes, section 626.5572. Providers must follow all reporting requirements as defined in Minnesota Statutes, section 626.557. Providers must also show that staff training is completed in the areas that must be reported, local common entry point contacts, and follow-up within the Provider agency.
- E) Providers who provide services to persons under the age of 18 must comply with the Maltreatment of Minors reporting requirements as defined in Minnesota Statutes, section 626.556.

9. STANDARDS AND LICENSES

HOME AND COMMUNITY-BASED WAIVER SERVICES CONTRACT

Minnesota Statutes, federally-approved Minnesota state waiver plans, and during the term of this Contract.

- 1) Any changes in licensure status and/or any reported warning to suspend or revoke licensure status.
 - 2) Any allegations and/or investigation by a government agency of fraud or criminal wrongdoing.
 - 3) Any federal exclusion of an individual or entity as described in Section 11 of this Contract or any conviction that could result in a federal exclusion.

This will include, but will not be limited to, current health, fire marshal, and program licenses, zoning standards, licensing and certification of staff when required under state or federal authority, insurance coverage, and all other applicable laws, regulations, ordinances, rules, and certifications that are effective, or will become effective, during the period of this Contract.
- D) During the term of this Contract, the Provider agrees to comply with all applicable state licensing standards, all applicable accreditation standards, and any other standards or criteria established by the State to ensure quality service.
- 1) Failure to meet such standards may be cause for termination of this Contract. Notwithstanding any other provision of this Contract, such termination may be effective as of the date of such failure.
 - 2) Loss of any applicable license by the Provider shall be cause for termination of this Contract. Notwithstanding any other provision of this Contract, such termination shall be effective as of the date of such loss.
