Re: CVSO Operational Enhancement Grant

Dear CVSO,

During the 2013 Legislative Session, the structure of the CVSO grant program administered by the Minnesota Department of Veterans Affairs (MDVA) was modified and the state funding increased. The previous Operational Improvement Grant that was on a three-year rotating cycle was repealed and replaced with an annual base grant to all 87 counties in the amount of \$7,500. In addition to the base grant, each county will be eligible for an additional amount based on the county's veteran population as determined by the USVA as follows:

- \$0, if the county has under 1,000 veterans;
- \$2,500, if the county has 1,000 to 2,999 veterans;
- \$5,000, if the county has 3,000 to 4,999 veterans;
- \$7,500, if the county has 5,000 to 9,999 veterans;
- \$10,000, if the county has 10,000 to 19,999 veterans;
- \$15,000, if the county has 20,000 to 29,999 veterans; and,
- \$20,000, if the county has more than 30,000 veterans.

MDVA will follow the same procedures for the new Operational Enhancement Grant as with previous department grants. Enclosed with this letter is the county Grant Contract, CVSO Operational Enhancement Grant Items Approved/Disapproved list (Attachment A), the Board Resolution form and instructions. **Please note that any item or expense being considered for payment with these funds that is not on the list MUST receive prior written approval.** Once the signed Grant Contracts and County Resolution are received, MDVA will secure the remaining signatures, provide you with a fully executed original, and electronically transfer the funds to your county treasurer.

You will have until **May 30, 2014** to spend the allotted money on qualified items. By that date, the funds must be spent, documentation of the qualified expenditures received by the MDVA, and any unused funds returned. However, MDVA will not provide any

grant dollars to your county until the signed Grant Contract (in triplicate) and a **certified** County Resolution form are received.

Along with the notification of payment to your county auditor/treasurer, you will receive copies of a Compliance Report and an Expenditure form that will have to be filled out, signed and returned by the due date. **All paid receipts, the Compliance Report, the Expenditure form and any unused grant funds must be returned to the MDVA by May 30, 2014. No purchases can be made beyond that date.**

Please keep in mind that legislation authorizes the department to recover from the county any grant funds that are not used for qualified purchases as outlined in the list of approved expenditures, Attachment A of the Grant Contract.

If you have any questions, please feel free to contact Linda McDonald at linda.mcdonald@state.mn.us or call her at 651-757-1540.

Sincerely,

(2) Pursuant to Minn. Stat §197.608 Subd 7, if the purchase of eligible goods and services is not completed, or is completed without expending the budgeted total of MDVA Grant Funds, the Grantee shall apply MDVA Grant Funds towards the total cost properly expended on the goods and services specified above, and shall remit those MDVA Grant Funds not so expended to the MDVA.

5 Conditions of Payment

All services provided by the Grantee under this grant contract must be performed to the State's satisfaction, as determined at the sole discretion of the State's Authorized Representative and in accordance with all applicable federal, state, and local laws, ordinances, rules, and regulations. to be unsatisfactory or performed in violation of federal, state, or local law.

7.4 **Grant Contract Complete.** This grant contract contains all negotiations and agreements between the State and the Grantee. No other understanding regarding this grant contract, whether written or oral, may be used to bind either party.

8 **Liability**

9 **State Audits**

Under Minnesota Statutes §16B.98, Subd.8, the Grantee's books, records, documents, and accounting procedures and practices of the Grantee or other party relevant to this grant agreement or transaction are subject to examination by the State and/or the State Auditor or Legislative Auditor, as appropriate, for a minimum of six years from the end of this grant agreement, receipt and approval of all final reports, or the required period of time to satisfy all state and program retention requirements, whichever is later.

10.1. **Government Data Practices.** The Grantee and State must comply with the Minnesota Government Data Practices Act, Minnesota Statutes Chapter 13, as it applies to all data provided by the State under this grant contract, and as it applies to all data created, collected, received, stored, used, maintained, or disseminated by the Grantee under this grant contract. The civil remedies of Minnesota Statutes § 13.08 apply to the release of the data referred to in this clause by either the Grantee or the State.

If the Grantee receives a request to release the data referred to in this Clause, the Grantee must immediately notify the State. The State will give the Grantee instructions concerning the release of the data to the requesting party before the data is released. The Grantee's response to the request shall comply with applicable law.

10.2. *Intellectual Property Rights*

A *Intellectual Property Rights*. The State owns all rights, title, and interest in all of the intellectual property rights, including copyrights, patents, trade secrets, trademarks, and service marks in the Works and Documents *created and paid for under this grant contract*. Works means all inventions, improvements, discoveries (whether or not patentable), databases, computer programs, reports, notes, studies, photographs, negatives, designs, drawings, specifications, materials, tapes, and disks conceived, reduced to practice, created or originated by the Grantee, its employees, agents, and subcontractors, either individually or jointly with others in the performance of this contract. Works includes "Documents." Documents are the originals of any databases, computer programs, reports, notes, studies, photographs, negatives, designs; drawings, specifications; materials, tapes, disks, or other materials, whether in tangible or electronic forms, prepared by the Grantee, its employees, agents, or subcontractors, in the performance of this contract. The Documents will be the exclusive property of the State and all such Documents must be immediately returned to the State by the Grantee upon completion or cancellation of this grant contract. To the extent possible, those Works eligible for copyright protection under the United States Copyright Act will be deemed to be "works made for hire." The Grantee assigns all right, title, and interest it may have in the Works and the Documents to the State. The Grantee must, at the request of the State, execute all papers and perform all other acts necessary to transfer or record the State's ownership interest in the Works and Documents.

(B) *Obligations*

- a. *Notification*. Whenever any invention, improvement, or discovery (whether or not patentable) is made or conceived for the first time or actually or constructively reduced to practice by the Grantee, including its employees and subcontractors, in the performance of this grant contract, the Grantee will immediately give the State's Authorized Representative written notice thereof, and must promptly furnish the Authorized Representative with complete information and/or disclosure thereon.
- b. *Representation*. The Grantee must perform all acts, and take all steps necessary to ensure that all intellectual property rights in the Works and Documents are the sole property of the State, and that neither Grantee nor its employees, agents, or subcontractors retain any interest in and to the Works and Documents. The Grantee represents and warrants that the Works and Documents do not and will not infringe upon any intellectual property rights of other persons or entities. Notwithstanding Clause 8, the Grantee will indemnify; defend, to the extent permitted by the Attorney General; and hold harmless the State, at the Grantee's expense, from any action or claim brought against the State to the extent that it is based on a claim that all or part of the Works or Documents infringe upon the intellectual property rights of others. The Grantee will be responsible for payment of any and all such claims, demands, obligations, liabilities, costs, and damages, including but not limited to, attorney fees. If such a claim or action arises, or in the Grantee's or the State's opinion is likely to arise, the Grantee must, at the State's discretion, either procure for the State the right or license to use the intellectual property rights at issue or replace or modify the allegedly infringing Works or Documents as necessary and appropriate to obviate the infringement claim. This remedy of the State will be in addition to and not exclusive of other remedies provided by law.

11 Workers' Compensation

The Grantee certifies that it is in compliance with Minnesota Statutes § 176.181, Subdivision 2, pertaining to workers' compensation insurance coverage. The Grantee's employees and agents will not be considered State employees. Any claims that may arise under the Minnesota Workers' Compensation Act on behalf of these employees and any claims made by any third party as a consequence of any act or omission on the part of these employees are in no way the State's obligation or responsibility.

12 Publicity and Endorsement

12.1 **Publicity.** Any publicity regarding the subject matter of this grant contract must identify the State as the sponsoring agency and must not be released without prior written approval from the State's Authorized Representative. For purposes of this provision, publicity includes notices, informational pamphlets, press releases, research, reports, signs, and similar public notices prepared by or for the Grantee individually or jointly with others, or any subcontractors, with respect to the program, publications, or services provided resulting from this grant contract.

12.2 **Endorsement.** The Grantee must not claim that the State endorses its products or services.

14.1 **Termination by the State.** The State may immediately terminate this grant contract with or without cause, upon 30 days' written notice to the Grantee. Upon termination, the Grantee will be entitled to retain payment, determined on a pro rata basis, for services satisfactorily performed.

14.2 **Termination for Cause.** The State may immediately terminate this grant contract if the State finds that there has been a failure to comply with the provisions of this grant contract, that reasonable progress has not been made or that the purposes for which the funds were granted have not been or will not be fulfilled. The State may take action to protect the interests of the State of Minnesota, including the refusal to disburse additional funds and requiring the return of all or part of the funds already disbursed. If the Grantee does not complete the Project by June 30, 2014, as evidenced by the incurrence of documented expenses for eligible costs; then this grant contract shall be reviewed by MDVA, and, may be canceled and all or part of the funds returned to MDVA to be reallocated to training and education under Minnesota Statutes §197.608 Subdivision 7.

14.3 **Termination for Insufficient Funding.** The State may immediately terminate this grant contract if:
