Ice Heaving

WHEREAS, the winter of 2014/2015 has had a lack of snow and fluctuating temperatures, and

WHEREAS, many riparian properties have experienced extensive ice heaving along the shoreline, and

WHEREAS, many riparian properties will require excavating and placement of fill within the shore impact zone and some properties will need to exceed the 30 cubic yards of excavation or placement of material to reclaim the property to pre-ice heaving conditions, and

WHEREAS, the Aitkin County Board of Commissioners have adopted a Shoreland Management Ordinance which contains provisions to regulate the use and development of the shorelands of public waters and thus preserve and enhance the quality of surface waters, conserve the economic and natural environmental values of shorelands, and provide for the wise use of waters and related land resources, and

WHEREAS, Section 5.32,D,(1) of the Aitkin County Shoreland Management Ordinance limits the amount of excavation and placement of material within steep slopes and shore and bluff impact zones to 30 cubic yards and within an existing or proposed recreational use area or access path, and

WHEREAS, the ice heaving from the recent lack of snow and fluctuating temperatures is a rare event that is an act of nature and not created or caused by any individual property owner.

THEREFORE, in order to preserve and enhance the quality of surface waters, conserve the economic and natural environmental values of shorelands, and provide for the wise use of waters and related land resources, riparian property owners who have sustained annual ice heaving during the 2014/2015 winter season may need to exceed the 30 cubic yards of excavation and placement of material to reclaim or restore the property to pre-ice heaving conditions.

BE IT RESOLVED, that the Aitkin County Board of Commissioners temporarily suspends the 30 cubic yard maximum amount of excavation and fill within steep slopes and shore and bluff impact zones for reclamation of the 2014/2015 winter ice heaving damage until December 31, 2015.

BE IT FURTHER RESOLVED, any land alteration permit required for the project reclamation will require a photo before, reclamation plan and a photo after construction. Land alteration permits issued for projects exceeding 10 cubic yards of excavation and/or fill will be \$50.00 versus the normal \$150.00.
