Re: 2014 Year in Review

---

At the March 24<sup>th</sup> Aitkin County Board Meeting I will provide a year-end review of the public safety operations that fall under the sheriff's office. It will once again look at some of the current statistics and long-term trends that we have been seeing in the area of public safety.

The Powerpoint presentation will also provide a glimpse of what is happening now and where we plan to go in the near future with technology, staffing, etc. This presentation will be for information only.

If you have any questions prior to that time, please do not hesitate to call. If there is any area that you would like me to highlight at that time, also please give me a call.
