Summary of Issue: <p>On September 25, 2012, the County Board approved a resolution o to pursue a grant from the State of Minnesota to improve the infrastructure at several locations on the Mississippi River including building a shower house at the Campground in Aitkin.</p> <p>In 2014, Aitkin County Land Department was awarded the grant. With the help of Earl Feuchtman with Contegrit Group, Inc, Aitkin County Land Department solicited proposals to design and build the shower house. Five proposals were received. Aitkin County Land Department would like the Board to approve awarding the contract to the low bidder of Crow Wing Construction for \$94,000. Other Bids included: Gopher State Contractors \$131,000, Hytec \$139,900, and Baratto Bros. Construction \$155,550.</p> <p>The original plan for the showerhouse was for \$90,000. Monies from within the grant to develop walking paths and improve campsites will be reallocated to the showerhouse as it is the highest priority of the grant. The construction costs will be completely covered by the approved grant.</p>
