A. Support Within Reach - Amanda Ysen / Melissa Canfield – Discussed the Support Within Reach Programs, their advocates, along with some statistical information and a new grant they received.

B. Child Protection Legislative Updates – Tom Burke noted this information is an FYI as the Legislature takes the lead to determine the number of positions each county will need and the fact that by adding one worker in Aitkin County it will reduce caseloads, share the workload and reduce burn out.

VI. Contracts / Resolutions

A. Warming / Cooling Center Site Agreement – LLCC - Motion by Commissioner Napstad, seconded by Commissioner Westerlund, and carried; the vote was to approve the Warming/Cooling Center Site Agreement between Aitkin County Health & Human Services and the Long Lake Conservation Center.

B. Resolution – Ann Rivas updated the Board that she has been developing a plan to help reduce the number of people with mental illnesses in the jail and has been collaborating with Sheriff Turner to have voluntary services which would provide a social worker to assist with discharge planning. It was clarified that these services would be provided to the Aitkin County Residents only and the Resolution would reflect that change (from the word “Individuals” to “Aitkin County Residents” in the capitalized paragraph on page one of the Resolution). Following the discharge, the social worker will continue to work with the person for integration back into the community as well as with transportation and other issues.

Stepping Up Initiative Resolution

“Stepping Up Initiative to Reduce the Number of People with Mental Illnesses in Jails”

WHEREAS, counties routinely provide treatment services to the estimated 2 million people with serious mental illnesses booked into jail each year; and

WHEREAS, prevalence rates of serious mental illnesses in jails are three to six times higher than for the general population; and

WHEREAS, almost three-quarters of adults with serious mental illnesses in jails have co-occurring substance use disorders; and

WHEREAS, adults with mental illnesses tend to stay longer in jail and upon release are at a higher risk of recidivism than people without these disorders; and

WHEREAS, county jails spend two to three times more on adults with mental illnesses that require interventions compared to those without these treatment needs; and

WHEREAS, without the appropriate treatment and services, people with mental illnesses continue to cycle through the criminal justice system, often resulting in tragic outcomes for these individuals and their families; and

WHEREAS, **AITKIN COUNTY** and all counties take pride in their responsibility to protect and enhance the health, welfare and safety of its residents in efficient and cost-effective ways; and

WHEREAS, **AITKIN COUNTY HEALTH AND HUMAN SERVICES IN COLLABORATION WITH THE AITKIN COUNTY SHERIFF DEPARTMENT WILL OFFER VOLUNTARY DISCHARGE PLANNING SERVICES TO INCARCERATED AITKIN COUNTY RESIDENTS WHO LIVE WITH MENTAL ILLNESS. THE GOAL IS TO SUPPORT INCARCERATED AITKIN COUNTY RESIDENTS TO INTERGRATE BACK INTO THE COMMUNITY AND RECEIVE ONGOING SUPPORT SERVICES.**

WHEREAS, through the *Stepping Up* initiative, the National Association of Counties, the Council of State Governments Justice Center and the American Psychiatric Foundation are encouraging public, private and nonprofit partners to reduce the number of people with mental illnesses in jails;

NOW, THEREFORE, LET IT BE RESOLVED, THAT I, J. MARK WEDEL, CHAIR, AITKIN COUNTY BOARD OF COMMISSIONERS, do hereby sign on to the Call to Action to reduce the number of people with mental illnesses in our county jail, commit to sharing lessons learned with other counties in my state and across the country to support a national initiative and encourage all county officials, employees and residents to participate in *Stepping Up*. We

resolve to utilize the comprehensive resources available through *Stepping Up* to:

- Convene or draw on a diverse team of leaders and decision makers from multiple agencies committed to safely reducing the number of people with mental illnesses in jails.
- Collect and review prevalence numbers and assess individuals' needs to better identify adults entering jails with mental illnesses and their recidivism risk, and use that baseline information to guide decision making.
- Examine treatment and service capacity to determine which programs and services are available in the county for people with mental illnesses and co-occurring substance use disorders, and identify state and local policy and funding barriers to minimizing contact with the justice system and providing treatment and supports in the community.
- Develop a plan with measurable outcomes that draws on the needs and prevalence assessment data and examination of available treatment and service capacity, while considering identified barriers.
- Implement research-based approaches that advance the plan.
- Create a process to track progress using data and information systems, and to report on successes.
