

## STAFF ACHIEVEMENT AWARD

Every year, Minnesota Social Service Association seeks nominations state wide for a variety of areas such as adult foster care provider, child foster care provider, volunteer, community collaboration, individual staff achievement, retiree, treatment foster care, student, and individual distinguished service awards. Nominations are sent by providers, counties, social workers, co-workers, and other professionals. This year, social workers, Brenda Butterfield and Reina Irvine, nominated Aitkin County Social Worker/ Intake worker, Rae Zahn, for the Individual Staff Achievement Award. Rae was nominated based on all of the great work she does for this agency, staff, clients, and the community and the years of dedication that she has shown. She is highly respected by her colleagues, law enforcement, and other community providers and professionals. We were ecstatic to hear that with all of the nominations that came in state wide, that Rae was selected to receive this award and honor. We are so proud of her and honored to have her here in our agency.
