Maureen Mishler, Executive Director  
Aitkin County CARE  
P.O. Box 212  
Aitkin, MN 56431

Dear Maureen:

On September 12, 2017 the Aitkin County Board of Commissioners approved CARE's additional appropriation request of \$8,000, for a total appropriation of \$45,900 for 2018 only.

The County Board appreciates everything CARE does for our community and has the utmost respect for the organization. They understand that CARE has gone through many changes in the past few years and offer their support. However, the Board is hopeful that during 2018 CARE will be able to get enough funding through other means, such as grants, so that in 2019 CARE will not need the additional \$8,000. If CARE determines more than the set appropriation of \$37,900 is needed in 2019, the County Board will ask that you give a presentation and explain your situation.

Please remember to send a letter to my office in 2018 requesting your appropriation payment.

Regards,

Jessica Seibert  
County Administrator

Dear Administrator Seibert,

The Salo Town Board would like to go on record in support of opening all Aitkin County roads to ATV traffic. At this time side by sides can legally ride and we would like to see Class Ones allowed to ride county roads also.

We see first-hand the opportunity a small business in our rural area can have with ATV traffic. The businesses in Aitkin County would benefit from ATV traffic also. We feel all businesses in Aitkin County deserve this same opportunity. Note Itasca, Carlton, Pine and St Louis Counties have all signed resolutions to ride on their county roads.

We need to get ATV's out of the ditches. It's bad for the vegetation and dangerous for the riders.

Years ago Salo Township sent a resolution to the county in support of ATV riding on our township roads. This summer we signed a permit for the City of Tamarack for a Corridor Access Trail to allow riding County 16 from Tamarack to Lawler. .

Please get in line with progress.

Sincerely,

Salo Township
