Supervisor's report: Dave Skaj removed the tree at the cemetery. Dennis King is to put a new wiper motor in and the salt lights need to be fixed on the big plow truck. Scott got some 48 in. markers for the plow truck wings. Liljenquist will be going out tomorrow and use the ice chipping blade to rough up the ice on the township roads.

Reports and checks were signed.

Terms expiring- Supervisor, Scott & Treasurer, Anita terms are expiring in March.

Meetings announced: ACAT Meeting- January 17th starting at 7:00 p.m. @ the McGregor Community Center, Aitkin Fire Dept. Meeting- January 22nd at 6:00 p.m. @ Aitkin Fire Hall, and the CTC/ Joint Boards Meeting - on January 28th at 7:00 p. m

ATV: Todd reported that he attended the East Mille Lacs ATV Club Meeting and afterwards talked with Chris Johnson. He learned that the townships have the power to allow the ATV's to drive on the paved part of Nature Ave. by completing a Corridor Access Permit Application. Todd made a motion to allow ATV's to travel on the asphalt part of Nature Ave.; second by Scott. All were in favor. The Corridor Access Permit Application was completed to go from Dam Lake Street (CR 4) to the end of pavement on Nature Ave. and the supervisors all signed it. This will make it so people can get on the lake other ways than just the public access to go fishing and they will also be able to go to Lakeview once Glen Township does one for CR4.

Driveway permits: Resolution was reviewed and some changes were suggested to be made.

USDA Beaver Program tabled until April

Set budget meeting date/time: Supervisors will take packets home, review, and discuss at the next meeting in February. If the supervisors decide there are any big changes needed then set the date at the February meeting.

Board of Audit will be held on February 14th at 7:00 p.m. during the regular board meeting.

Pick election judges: Todd made a motion that Kim as head judge, Kate LaClair, and Linda Hommes with alternative Penny Hanson, and Sara Temte; second by Scott.

Mileage rate: 58 cents per mile; up 3.5 cents from the rate for 2018

BCA Agreements: Copies of the executed agreements were sent to the County Attorney, Ratz.

Supervisors reviewed the MATIT Consolidated Coverage.

The Glen-Kimberly Town hall is not considered as an emergency shelter per the Aitkin County Sheriff's Department.

Garage: Opening the garage is getting to be very difficult. There were some suggestions on what could be done. Something brought up was talking about putting in cement.

Other business: Kim contacted MAT about the road agreement with Glen. The town road agreement could be changed only by mutual agreement. It doesn't expire in five years it just says it will be reviewed. The supervisors decided to keep plowing Glen Township's road as listed in the agreement until the five years are up then redo the agreement. They are going by the road when they plow the other part of the road so it's just as easy to drop the plow and do it. It was also brought up that Kimberly Township does get called out at times to only plow Glen's road when it is blown shut.

Correspondences were gone through. The clerk made the announcement, "The supervisors have deemed this to be trash. If anyone would like to view the items for trash prior to disposal, they may do so now or immediately following the meeting."

Adjourn: Todd made a motion to adjourn; second by Scott. The meeting was adjourned at 8:34 p.m.

Respectfully submitted,

Kim Miller
Township Clerk
