Aitkin County Board of Commissioners
c/o Jessica Seibert, County Administrator
Aitkin County Administration
217 2nd Street NW, Rm. 134
Aitkin, MN 56431

Dear Commissioners,

The Trust for Public Land (TPL) has received an appropriation from the Legislature as recommended by the Lessard-Sams Outdoor Heritage Council to purchase approximately 215.93+/- acres of land in Aitkin County. In May 2019, we expect to acquire the property and soon thereafter donate this property to Aitkin County to be managed by its Land Division. The property is located in Aitkin Township and Spencer Township as shown in Exhibit A.

This property includes roughly 1.75 miles of Mississippi River frontage. By adding this property to the Aitkin County Forest, Aitkin County Foresters and others will have improved access to existing public land for timber and other forest-related management activities. Permanent conservation of the property will provide hunters, outdoorsmen, and others with access to the Mississippi River and as well as access to other public lands to hunt, fish, and recreate. Permanently protecting this property will prevent forest fragmentation, thereby helping to maintain connectivity to the adjacent public lands. Additionally, this project will protect valuable forest and riparian habitat.

The Trust for Public Land utilizing Lessard-Sams Outdoor Heritage (Legacy) Council funding requires County Board notification. After a series of meetings and public discussions regarding TPL's intent to acquire this property and convey it to Aitkin County, the Aitkin County Board of Commissioners voted to approve the fee title acquisition of this property by TPL and subsequent conveyance to Aitkin County.

If you have any questions, please feel free to contact me.

Sincerely,

Will Cooksey
The Trust for Public Land
