# FutureView 2020

Building Communities of the Future with Imagery and Insights

March 9 - 12 | Sheraton Phoenix Downtown, Phoenix, Arizona

## What is FutureView?

**FutureView is the advanced training and user conference for EagleView (formerly Pictometry) imagery customers. Assessors, appraisers, GIS professionals, 911 Directors, Public Works Administrators, and other government employees who use EagleView imagery are all invited to attend.**

## Why Attend FutureView?

At FutureView, you will learn directly from EagleView product experts about innovations in high-resolution imagery and data analytics and how they can help you be more effective in your job. You will also get a preview of the EagleView product roadmap, including a major announcement!

Participants will learn from:

- Hands-on training sessions
- Advanced workshops with professional certification credits
- Peer presentations on topics related to assessment, GIS, and emergency response
- Demonstrations of cutting-edge products and solutions
- Networking with industry experts and peers, including our closing night social event

You'll leave FutureView 2020 inspired and energized with new ideas you can take home and share within your organization, so you can work together to build the communities of the future.
