Submitted by: John Welle		Department: Highway Department
Presenter (Name and Title): John Welle, Aitkin County Engineer		Estimated Time Needed: 10 minutes
Summary of Issue: Bids were opened on Monday, March 2, 2020 for Contract No. 20201 which includes S.A.P. 001-601-021, rehabilitation of Bridge No. 01506 on CSAH 1 over the Mississippi River. As shown on the attached abstract of bids, two bids were received, with PCI Roads LLC, St. Michael, MN submitting the low bid in the amount of \$449,337.00. With the cost of this contract estimated at \$395,563, the low bid was 13.59% over the estimated cost. Part of this project included placement of 90 cubic yards of riprap on the south abutment slope, which was estimated to cost \$10,350. Since the bid price for this item of work was \$38,250, we will be executing a change order to eliminate this work from this contract, which will reduce the project cost to \$411,087.		
Alternatives, Options, Effects on Others/Comments: Without the rehabilitation work included in this project, it is anticipated that this bridge would require complete replacement within 10 years at a cost of approximately \$3,400,000. With this rehabilitation work, it is anticipated that replacement of the bridge will be delayed by 15 to 20 years.		
Recommended Action/Motion: Recommend award of project to PCI Roads, LLC by attached resolution.		
Financial Impact: Is there a cost associated with this request? <input checked="" type="checkbox"/> Yes <input type="checkbox"/> No What is the total cost, with tax and shipping? \$ Estimated total cost: \$449,337.00 Is this budgeted? <input checked="" type="checkbox"/> Yes <input type="checkbox"/> No <i>Please Explain:</i>		

Legally binding agreements must have County Attorney approval prior to submission.
