To whom it may concern:

As a seasonal residence of Malibu Bay and tax payer of Pitkin Co, I would like to write this letter to oppose an off sale liquor license that has been applied for by the business of Westlunds.

T.J. Liquor is a family owned liquor store and has been in business for many years.

If an off sale liquor license is issued to Westlunds business I feel it would be talking business away from T.J. Liquor which is only located 600 feet from Westlunds business.

Please consider this if an off sale liquor license is granted to Westlunds business.

Sincerely

James K. Carlson

Mr. Kirk Reysar
As a long time resident, I'm writing
you in regards of "off sale liquor" license
application. For the following reasons
I don't see a need to bring in another
establishment for liquor sales.

• We currently have 3 in the area.

• One in Malmø and two in Glen

• Future revenue dollars will not

stay in Malmø

• Our current "TJ's liquor" shouldn't

need to fight with new competition

• New owner does not reside in Malmø

or the state of Minnesota

• Since the Genex takeover, 2 businesses

have already left Malmø and

maybe the bait shop will be next

In closing I would like to ask why
is Lori Westerland is assisting in
this proposal?

To whom it may concern:

As a seasonal residence of Maine Bay. I would like to express my concerns about an off sale liquor license that has been applied for by Westerlands in Maine Bay.

TJ Liquors is a family owned liquor store that has been conducting business for many years.

I feel Westerlands already has a good business going with their convenience store, gas pumps and cafe etc.

So as for them applying for an off sale liquor license they would be taking business from T.J. Liquor which is only 600 feet away.

So I am writing this letter to oppose the issue of an off sale liquor license to the Westerlands business.

Sincerely
Jama Ranth

In these hard times, how can the county even consider issuing a license for off-sale liquor to Westlund, Inc., when there is an off-sale liquor store, TS Liquor Store, almost next door to them.

TS Liquor is not a big time operation. I am sure they are struggling to stay open. If another liquor store ~~went~~ went in next door, both parties would suffer and compete to stay afloat.

Any and all consideration to this matter would be greatly appreciated.

I am writing in opposition to the granting an off sale liquor license to Westerlund Inc. I see no need for a second liquor store within a block of TJ Liquor. TJ Liquor has served the community well for many years. To my knowledge, they have acted responsibly and within all state statues and ordinances.

It is my understanding that Westerlund has recently come under new ownership. I am concerned that the new owners will attempt to undercut the competing businesses in the Malmo area and drive them out of business. If this were to be accomplished, it would leave the area void of any reasonable priced goods and services as the nearest competitors would then be in Garrison, Aitkin, or Isle which are 15 to 20 miles away.

Please consider the established business(s) in the area and take their long established service into consideration. There is not enough business for two off sale liquor stores in this small area.

Dear Mr. Peysar -

This email is in regard to a request by the License Applicant Westerlund, Inc., d/b/a Westerlund Cenex in Malmo Township for "Off Sale Liquor License".

My husband and I own lakeside property less than a mile from Cenex near Malmo. We are both OPPOSED to another liquor store within a very short distance from TJ's Liquor. There is no need for two liquor stores in that short distance nor in a town of 334 people.

This will only hurt TJ's business - a well-established, long-time, well-respected business in Malmo.

Please consider DENYING this application.

Thank you for your consideration,

I along with many are opposed to this. We already have a liquor store struggling to earn a living and numerous resorts that have off sale. There is NO need to possibly ruin what we already have to make room for another business to have off sale.

Thank you for giving me the opportunity of making my opinion matter.

Hello Mr. Peysar,

I am writing in reference to a letter I received letting me know about a hearing to consider the requested Off Sale Liquor License for Westerlund, Inc., dba Westerlund Cenex in Malmo Township.

I am not in favor of approving another off sale liquor license in this area. There are already 2 businesses in within a mile of this location that sell off sale liquor. Adding another one doesn't seem like a good idea for the small businesses in this area that are already suffering due to the ever changing fishing regualations affecting tourism traffic and now Covid-19.

Thank you for considering my opinion and hope you will vote to deny this application.

Topic: Public Hearing Off Sale Liquor License Application – Westerlund Cenex in Malmo Township

In response to this application, we the undersigned are **opposed** to Off Sale Liquor License being granted to Westerlund Cenex for the following reasons:

1. The business is within 200 yards of an existing Off Sale Liquor Store who has been in business for more than 10 years.
2. Both of these business share the same roads, including a service road and a truck highway.
3. Although it is competition, these are both small businesses competing for the same customer in a small community. For Aitkin County it is the same revenue as the tax is collected regardless of which shop the consumer uses, therefore it is not an expansion of revenue and does not bring in additional revenue or tax dollars into the area.
4. It is direct competition to it's good neighbor who has an existing license and has refrained from conflicting businesses with its neighbors'.
5. Fishing bans have already made it difficult to stay in business in Aitkin County on or near Mille Lacs, this would be another hit to a business that is already fighting to stay afloat.
6. It is my understanding, that Westerlund no longer owns the business as the business has been sold. The Liquor License is non-transferable.
7. If this was an On Sale license there would be no dispute.

Thanks,

Kirk R. Peysar

I hope that you are well in these challenging times. My Name is Marcus Hays Aitkin Alum 97'. I am concerned about economic waves of Malmo if this license is granted to Westerlund Cenex. There is a established and well respected liquor store not 600 feet from there. I live in Albertville, MN but frequently come up to the Malmo area in my free time. I feel that every small business in Malmo has a special role in fulfilling the economic chain. To allow Westerlund Cenex to sell off sale liquor I feel will create tensions and unfair price wars. Please deny this application!!! It's not like TJ's is asking to sell fuel.

Kirk Peysar,

I am emailing you today in regards to concerns about the sale of Cenex (Westerlund's) gas station in Malmo MN. It has been brought to our attention as a small community that the new owner wishes to put in a new liquor store. We as a community have concerns about this because we already have a very nice, useful liquor store right next door. We are a tight community and would prefer the new business to be something of more value for our community like a nice family restaurant or something more useful to our community.

Thank you for hearing us out as a community.

Hello!

My name is Bobbi Jo Bourassa and my parents are Karen and Gene Miller and are the proud owners of Tj's Liquor. I am writing this email to you today because of my parents long standing business also in Aitkin County. You have kept one of the most monumental places open in Aitkin County and made it such a great place for us to go. I am sure that you feel the same way about the support the community gives you the same as my parents do as well. Imagine if Lakes 12 decided to open a brand new movie theater right next door to your movie theater. Do you think your business would be able to stay open? Would Aitkin County allow that to happen to a long standing business? Would you fight to make sure that would not happen by having your voice heard? That is exactly what I am here to do have my voice heard because I do not want to see my parents livelihood go down the drain.

Tj's Liquor was opened in 1992 by the Kosticks and then they sold it to my parents Gene and Karen Miller in 2003. This business has been able to thrive due to all the loyal locals and loyal out of town people that continue to support this business. If there is a one stop shop where you can get everything you need all at the same place do you think people will still make that extra stop? It is something to really think about considering people in the cities want to get their stuff quick so they can get to fishing or whatever else they are coming to do.

Tj's Liquor took a hard hit when 3 liquor stores opened in the surrounding area Johnsson's Portside in Isle, The Junction in Garrison, and The Glen Store in Glen. Westerlund's Cenex has also been a thriving business all this time with no liquor store at their site. Malmo is only so big and opening another liquor store right next door will possibly close a long standing business's doors. Norman and Laurie Westerlund sold their business to people who are not even local and have no ties to the Malmo area and do not plan to make Aitkin County their home. It really saddens me that this is even something we should be talking about. I know there are many rules that Aitkin County needs to follow but I want you to know what a hardship this will cause on my parents business and possible my business someday. With Westerlunds Cenex having all the power they will run businesses out of Malmo from not only Tj's but also Maimo Market.

I really hope that when you make this decision you will think really hard about what this can do to peoples lives. I know that you have to do what is right and follow the guidelines however please take into consideration the business you could also be taking out of Aitkin County as well.

My name is Alissa Boser and my husband Torrey Boser and I are not in favor for the Westerlund Cenex in Malmo MN to be approved for a liquor license. We do not feel that it is necessary to have two liquor stores within 1 block of each other, in the small town of Malmo MN. Not to mention, it would hurt the sales of the current liquor store in Malmo, which they do not deserve. The other liquor store (TJ's Liquor) has been in business for years and we would hate to see them hurting because of another liquor store being in town. That would not be fair at all. Just like Westerlunds drove the proposed dollar tree out of town because it would have hurt their sales.

My husband and I own Pete's Retreat Campground in Malmo MN and we would hate to see this happen in our small community.

Mr. Kirk Peysar
Aitkin County Auditor
RE: New Liquor License Application – Westerlund-Cenex

As a resident of Malmo, I oppose the request before this board by Westerlund-Cenex, Inc. for a new Liquor License.

We as a community cannot choose what business entities purchase land or property within our community, nor should we. As a community we should exercise due diligence in what types of businesses are allowed to exist in our community and the impact that could have on its existing residents.

What does that mean? By definition, due diligence is “the care that a reasonable person exercises to avoid harm to other persons or their property.” This is the minimum that should be done in assessing the liquor license application before this board.

The applicant for this new license, Westerlund-Cenex, Inc., is **NOT** the party, who now owns, would be running and would be held liable for this potential new liquor store.

Westerlund-Cenex was sold to Twin City Petroleum & Properties, LLC (a FL home jurisdiction LLC under MN registration) in March of this year under contract for deed. The property tax payer of 22167 Hwy 47, Malmo is listed as Cannon Falls Investments, LLC., which is a Quik Stop convenience store located in Cannon Falls, MN.

The actual owner of Twin City Petroleum & Properties, LLC is unknown.

The only named parties listed under the registering of the business in both Florida and Minnesota; is a Hisham Mubaidin, who is listed as the registered agent under the Florida registration and the individual who identified himself as the “new owner” of 22167 Hwy 47, Malmo, introduces himself as “J.”

I feel I must communicate to you the expressed opinion of this supposed owner “J” of this community. During a discussion (heard by those at the store at the time) of the possibility of this “J” putting in a headshop/tobacco shop on the property, concern was raised of the questionable clientele that type of establishment could attract and the term “low-lifes” was used to describe that clientele. This “J” quickly responded with a “ look around, that’s all that lives here, low-lifes”. I don’t need to communicate to anyone how concerning a statement like this is.

Twin City Petroleum & Properties, LLC in turn has leased this business and property to HPA llc, LLC, under the DBA of “One Stop Mini Mart.”

No contact phone numbers other than those of the physical retail properties.
Utilizing home address of registered agents as address for company.
Utilizing generic email addresses such as Gmail, yahoo, icloud, etc, instead of a business domain address such as ____@abccompany.com.

Whatever the reasoning behind these businesses, be it tax evasion, money laundering, or worse, the end result could easily be the destruction of a viable, active, long established liquor store; namely, TJ's liquor of Malmo. This new entity could simply shut its doors and walk away with having dozens of "arms length" business entities all under LLC's with no records of actual owners of said businesses, with no one held accountable for the wake of destruction left behind.

Malmo Twp. has TJ's Liquor owned by Karen and Gene Miller, a long-standing business and active members in the community that is approximately 630 feet from the front door to this potential new location. Customer counts and sales volumes cannot support two liquor stores in Malmo with a population of 300, let alone one that is 630 ft from the front door of the existing liquor store.

Twin City Petroleum & Properties, LLC purchased Cave Liquors/The Junction on 169/18 in Hazelton Twp, Aitkin. Having the buying power of more than one location would under-cut any existing liquor stores. This would affect not only TJ's Liquor, but those stores in the area, such as The Glen Store at 5.9 miles to the North, as well as those locations that carry an on/off sale liquor license, such as Castaway's 1 mile to the South. **(See attached liquor license list)**

With that, I oppose any new liquor license application in Malmo Twp.

As a community, we need to support our existing mom and pop businesses and provide them with an environment to thrive.

Thank you for your time and consideration in this matter,

Jeanne Lidberg

Malmo Off Sale Liquor License My opinion is a second liquor store is certainly NOT necessary in a town the size of Malmo. We have a locally owned and operated one that serves everyone well now. I have a cabin in Malmo that we go to every weekend during the summer.

Dear Sir:

May 14, 2020

I am writing you in regards to the meeting May 26, 2020 for the Westerlund liquor license approval. I own Tj's Liquor and Sud's Laundry next door to the Westerlund complex. If the liquor license is approved, I will be in severe financial trouble. I've studied liquor license requirements in other counties. Some allow a liquor license for every 5,000 people. That is how many people it takes to support a local Off sale liquor store. The population density in my area is very small. 337 people live in Malmo Township and 463 people live in Lakeside township. The city of Aitkin has 2,000 people and 2 liquor stores. Jim MacDonald owner of one of them told me that without his bar he would not make it.

I purchased Tj's Liquor in 2003. Since then Johnson Portside opened a liquor store to my south capturing tourist coming north on Hwy 47. The Junction opened a liquor to the west. Many local residents go there now since it is closer. We lost the north shore residents to them. Then, the Glen store opened to our north. We lost many customers to them since it was closer for them to drive to Glen. Every time a store opened, we felt it. Our revenue dwindled. If you allow a liquor license in my lap, I guarantee I will have to close my doors. My wife and I work the store 7 days a week. We simply cannot afford a employee. I am begging you to vote no! I've worked the store very hard for 17 years. I am simply a Ma and Pa store. The Westerlund's are paving the way for a high buck corporation to get a liquor license. We need laws against this. Please study other regulations concerning liquor license and population density.

Closing walleye fishing was devastating for our store. We lost a ton of revenue.

Closing HWY 47 for bridge repair for several months last fall was devastating. We lost tons of revenue.

During the early stages of the Covid-19 pandemic, not one single person drove up from the Metro. Business was so slow during the lockdown I could have closed my doors. We lost tons of revenue.

Last year our 2 businesses did not make a dime. In fact, we lost close to \$4,000. You are welcome to stop in and I will show you my tax forms.

My wife and I currently have a mortgage application at Shared Advantage Credit Union. We need more money to survive this very difficult time. We are losing sleep over the liquor license application. Please help Ma and Pa survive and vote No!

In closing, I would like to announce that I will be running for County Commissioner in District 2. The support from residents in District 2 has been overwhelming. Everywhere I go people tell me I have their vote. I look forward to serving my community and hope to improve our beautiful county.

Sincerely,

Gene Miller

To who it may concern,

We live at 32879 State Hwy 18 Aitkin in Malmo township.

We are opposed to giving another liquor license in the area. There is currently a liquor store on the corner of 18 and 47 highways plus a number of resorts with restaurants that already have liquor licenses. We feel there is definitely NO need to add more alcohol for sale in the area.

Sincerely,

Mr. Peysar -

We are writing in response to your letter dated April 29th, 2020, regarding the request for an Off Sale Liquor License for Westerlund Cenex in Malmo. We are **opposed** to this request for the following reasons:

- There are 4 off sale liquor locations within approximately 22 miles:
 - Isle Municipal Liquor
 - Portside Liquor
 - TJ's Liquor
 - North Star Liquor of Glen
- We believe that these 4 locations more than adequately serve the local community as well as the seasonal and tourist populations
- We see no need to dilute the marketplace for off sale liquor sales by adding another location

Respectfully submitted,

Dear Aitkin County Licensing Board,
Malmo as you know is a small community. We already have a wonderful liquor store TJ's Liquor owned and operated by some faithful neighbors and residents who have been in the community for over 40 years. The community of Malmo is thankful we have this resource in our area; however, as a frequent patron I'm often the only one in the store along with the store clerk. Only on weekends do I see more than 1 car in the parking lot. Long through the fall and winter, it's just the owner or store clerk alone in that store. Since I live just down the road, I drive by and will stop in every 10-12 days for my essentials. It's very rare that I'll see another customer or car in the parking lot, especially from November 15-May 1st. As a 10 year resident of this neighborhood, and a commercial property owner and developer, I feel comfortable voicing my opinion that the community of Malmo does not need an additional Liquor License in the area. TJ's does great, and their prices are competitive. Please consider denying the request for the additional license. Thank you for the hard work of your essential business.

Please do not allow for another off sale liquor store in Malmo. The current liquor store TJ is adequate! I'm very saddened by the lost of small business that are gone over the Westerlund sale, we don't need our current liquor store facing the same jeopardy. Thank you, Roxanne Whiteoak

Kirk Peysar, Aitkin Co Auditor
307 2nd St NW Room 121
Aitkin, MN 56431

Dear Sirs,

I am writing regarding the application for an off sale liquor license for the Westerlund Cenex in Malmo, MN. I live within ¼ mile of Westerlund's.

I am opposed to granting an off sale license to Westerlund's. TJ's Liquor is within 100 yards of Westerlund's and having another off sale that close would put one of them out of business.

There certainly is not enough business year round to support two off sale liquor stores within such close proximity. Westerlund's can expand other areas of their gas station to accommodate needs that Malmo is lacking, such as an expanded grocery selection.

TJ's does a great job of serving the community – their store, while not large, has a great selection and the people that work there are the best. TJ's is locally owned, and I don't want to see a local owner put out of business.

Many of the resorts around Mille Lacs Lake also have off sale available, so there is already sufficient competition and consumers already have enough choices.

Feel free to contact me for further comments.

Thank you,

One liquor store in the bustling metropolis of Malmo is enough.

TJ's has a great selection of wine & spirits in Malmo. If people are unable to find what they want at TJ's Isle and Glen are both a few miles away.

I do not believe another liquor store is needed or warranted in Malmo. I oppose the request for an "off Sale Liquor License" for Westerlund, Inc., d/b/a Westerlund Cenex in Malmo township.

Kirk Peysar, Aitkin County,

I am writing in regards to the application for off sale liquor license for the current Westerlund Cenex location. I am firmly opposed to this for several reasons. The first is that TJ Liquors has served this location for many years, and has delivered a quality service. They are always friendly, they do a very good job of maintaining stock, and their prices are competitive. Secondly, I am opposed to non-local businesses coming into the area. While this is mostly a resort community, it is supported by local businesses and local people. I prefer to keep it that way because that is the major charm of this area. One of the top reasons we moved to the area is because of the local businesses and the residents. I firmly support T j's Liquors being the only off sale liquor at the location. There are no other retail options that the proposed expansion of the current Westerlund's could serve; additional liquor sales is not one of them.

Thank you for considering my input,
Dwayne Stroman

Dear Aitkin County Commissioner:

I currently have a petition seeking a 120-day moratorium on the issuance of any new liquor licenses effective May 26, 2020. I will bring the signatures to the meeting May 26th. Please consider this moratorium.

As I campaign to become Aitkin County Commissioner in District 2 the response from residents in District 2 have been highly supportive. I look forward to working with all of you to improve our community.

Sincerely,

AN ORDINANCE TO ENACT A TEMPORARY MORATORIUM ON THE ISSUANCE OF NEW BUSINESS LICENSES TO LIQUOR STORES SEEKING TO OPERATE IN AITKIN COUNTY

Whereas, Aitkin County Commissioners have a responsibility to protect long established Ma and Pa businesses in Aitkin County.

Whereas, the residents of Aitkin County have expressed concerns with the number of liquor stores in Malmo Township and have objected to the addition of any new liquor stores in Malmo Township as demonstrated by over 900 people signing Gene Miller's petition, owner of Tj's Liquor in Malmo Township.

Whereas, with the increasing number of liquor stores operating in South Aitkin County, we deem it necessary and appropriate to place a temporary 120 day moratorium on the issuance of new business license to package stores that sell alcoholic beverages, such as spirit, wine, and beer, in Aitkin County to allow Aitkin County Commissioners time to determine whether South Aitkin County is over-saturated with Alcohol retailers and to research the relationship between accessibility and/or location of liquor stores. The 120 day moratorium would provide time for the Aitkin County Commissioners to study the impact of an additional retailer upon the following well established off sale liquor retailers: Castaways Resort, Barnacles Resort, Pine Inn, Poor Lewy's, The Joint, Lakeview Inn, The Cave Liquors, Glen Store, and Tj's Liquor,

Whereas, this 120 day moratorium established on the issuance of any new business license to package stores which sell alcoholic beverages, such as spirits, wine, beer, within the geographical boundaries of Aitkin County will take effect May 26, 2020. This moratorium shall only apply to new business that do not have a current business liquor license.
