Summary of Issue:

Aitkin County's Barracuda Backup Appliance 6090 reached capacity ahead of schedule; Unit was scheduled for replacement in 2023 per Capital Improvement Plan. Capacity was reached early due to COVID-19 response with remote work departments digitizing & storing additional data overloading the backup system prematurely. This unit is required to maintain Disaster Recovery and Continuity of Operations.

CARES act funding is available for this device in the amount of 26,477

Unit will be purchased from vendor CIT quote #003720v1
