Section A. Background and General Instructions

The Office of the Secretary of State (OSS) received funding through the 2020 CARES Act “to prevent, prepare for, and respond to coronavirus, domestically or internationally, for the 2020 Federal election cycle.” Minnesota Laws 2020, Chapter 77, authorized the use of these funds within Minnesota, including allowing for distributing these funds to local governments for use consistent with the state and federal requirements.

A work group including members of the OSS staff, county representatives, and city representatives was tasked with determining a fair, equitable, and efficient way to allocate these funds to local governments through a grant-making process. The work group focused on allocation with these goals in mind:

1. Getting funds to counties/cities/towns directly to help with costs
2. Minimizing the complexity of the disbursement/reimbursement process
3. Sending out funds with direction on how to use and how to report back on use (and 20% match), avoiding a “reimbursement” process
4. Ensuring the state, counties, cities, and towns benefits equitably

The work group recommended, and the OSS adopted, a grant-making structure that provides a block-grant to Counties, with the instruction that Counties work with their municipalities to determine a fair, equitable, and mutually agreeable method for allocating the funds within the County and between municipalities. However, if a County and its encompassed municipalities cannot come to a mutual agreement, a default allocation mechanism is provided. Both the distribution of funds to Counties, and the default municipality distribution, are based on a formula using various election-related factors (see Section F for the allocation formula factors).

Application Process

The OSS has divided the CARES Act funding based on a variety of election-related factors. In order for a County to receive the CARES Act funding allocation, the County must do the following:

1. Complete and return the following materials to the OSS via email and hard copy:
 - a. County Application Information (Section B)

- b. County Certification (Section C)
 - c. A County Resolution Authorizing the Acceptance of Resources
2. Complete and return the grant agreement (the OSS will send this once application materials are received).

Distribution of Funds within the County

Once a County receives the CARES Act funding, the County must work with the municipalities within the County to determine a fair, equitable, and mutually agreeable method for allocating the funds within the County and between municipalities. If an agreement cannot be reached by **September 8, 2020**, the County must distribute the funds based on the default allocation (See Section G).

All Counties receiving CARES Act funds under this agreement must report the allocation of local funding within the County to the OSS by **September 15, 2020**. At the time of this report, Counties must also certify that they have written agreements with municipalities on the distribution, or that the County has utilized the default allocation.

Authorized Uses of the CARES Act Funding

The use of the CARES Act funds is restricted by both Federal and State law. State law outlines the broad categories for which the funds can be used, including:

- (1) ensuring the health and safety of election officials and in-person voters, including the purchase of sanitation and disinfectant supplies;
- (2) public outreach and preparations for implementing social distancing guidelines related to voting, including additional signs and staff;
- (3) facilitation, support, and preparation for increased absentee voting, including voter education materials, printing, and postage;
- (4) preparation of training materials and administration of additional training of local election officials;
- (5) preparation of new polling place locations; and
- (6) purchasing an electronic roster system meeting the technology requirements of Minnesota Statutes, section 201.225, subdivision 2, along with equipment necessary to support the system.

The enabling legislation also specifies that a political subdivision is eligible to use the funds for no more than 75 percent of the total cost of purchasing an electronic roster system and necessary support equipment, and no more than 80 percent of the total cost of any other authorized activities. The OSS will be providing an FAQ on authorized uses of these funds, and any jurisdictions with questions about an authorized use should contact Julie Strother (julie.strother@state.mn.us).

Reporting Requirements

Counties must report on the use of the funds allocated to the County, including the distribution and use by municipalities within the County by **November 16, 2020** (see reporting materials, Section D).

Section F. Allocation Formula

County Block Grant Amount and City/Town Point-of-Reference Amount Factors

This is a high-level review of the calculation and factors considered by the work group in determining the county block grant amount and the city and town point-of-reference amounts. The concept is for the county block grant amount to be distributed by mutual agreement between the county and all the cities/townships within that county.

- \$8.32 million in CARES Act funding
 - 40% allocated to the OSS = \$3.33 million
 - 60% allocated to counties (and cities and townships) = \$4.99 million
- Of the \$4.99 million allocated to the counties (and cities and townships), it is distributed as follows and based on per-unit rates:
 - 2.5% is based on base allocation equally divided to each county = \$1,433.9193
 - 25.0% based on 2018 voter (Primary and General) count = \$0.3527 per voter
 - 20.0% based on 2018 General Absentee Voter count = \$1.7777 per voter
 - 20.0% is based on May 1 registered voter counts = \$0.2942 per voter
 - 20.0% is based on number of polling places = \$347.6168 per polling place
 - 2.5% is based on 2018 population = \$0.0222 per person
 - Precinct-based allocations equate to \$166.2221 per polling place precinct and \$27.3321 per mail ballot precinct
 - 10.0% is based on number of total precincts = \$121.4121 per precinct
 - 2.5% is based on number of polling place precincts = \$44.8100 additional per polling place precinct
 - -2.5% is based on number of mail ballot precincts = reduction of \$94.08 per mail ballot polling place

This results in a range of county block grants of \$5,241.70 to \$1,117,423.48. Median is \$24,827.45 and average is \$57,356.77.

- Of the \$4.99 million allocated to the counties (and cities and townships), the work group recommends the counties and their cities and townships work to distribute the county's block grant funding. If agreement cannot be reached, then the work group provides point-of-reference amounts for each city/township that operates an election day polling place. This totals \$2.875 million.
 - The original 60% county block allocation is split 20% county and 40% cities/townships. The county receives the funding for mail ballot precincts and for absentee voting (if they complete those tasks for the jurisdiction) the under this formula as well.
 - The same factors listed above apply.

This results in a range of distributions of \$30.82 to \$237,630.19. Median is \$589.66 and average is \$1,999.42.

After reducing the county block grant amount by the point-of-reference amounts as listed, the county remaining portions (totaling \$2.1 million) result in a range of \$4,127.92 to \$385,503.48. Median is \$11,623.78 and average is \$24,308.91.

WHEREAS, the COVID-19 Pandemic requires additional efforts to make the election process safe, sanitary and effective; and

WHEREAS, the Office of the Minnesota Secretary of State is currently soliciting grant applications from counties for grants pursuant to Laws 2020, Chapter 77, section 4 and the federal CARES Act; and

WHEREAS, grants will be provided to each county pursuant to a formula set forth in Section H of the grant application provided by the Office of the Secretary of State; and

WHEREAS, those purposes are primarily for the protection of persons involved with the election process including voters, as well as certain other purchases set forth in law; and

WHEREAS, the county will work with the municipalities within the county to determine a fair, equitable, and mutually agreeable allocation of the funds within the County and between municipalities, and if an agreement cannot be reached, the funds will be distributed pursuant to the OSS identified default allocation formula as determined by the Secretary and provided in Section E of the grant application; and

WHEREAS, the grant application is to be completed by the staff of the auditor and other staff responsible for the administration of elections in this county; and

WHEREAS, the grant application must be completed, certified by a county official, typically the chief county election official, returned to the Office of the Secretary of State and a grant agreement executed prior to the receipt of the funds to which the county is entitled pursuant to Sections E and F of the grant application; and

WHEREAS, Laws 2020, Chapter 77, section 4 requires a 20% match for the grant, with a 25% match for electronic roster purchases; and

WHEREAS, the grant agreement will reflect the grant application for each county; and

WHEREAS, additional assistance may be forthcoming later in this election cycle from state and federal funds, particularly those funds appropriated for these purposes by the Legislature; and

WHEREAS, there are continuing needs throughout the election cycle for both COVID-19 and election security efforts and concomitant costs; and

WHEREAS, time is of the essence;

THEREFORE, BE IT RESOLVED that the grant application in the form presented to this board and to be submitted to the Office of the Secretary of State is hereby approved; and

BE IT FURTHER RESOLVED, that the Board hereby appropriates the required match amount as indicted in the application for the purposes set forth in the grant application [ALTERNATIVE: BE IT FURTHER RESOLVED that the Board directs the spending of existing county funds in an amount equivalent to the required match indicated in the application on the purposes for which the grant is received]

BE IT FURTHER RESOLVED, that the chief elections officer of the County and staff are directed to submit this approved grant application at the earliest opportunity; and

BE IT FURTHER RESOLVED, that when the grant agreement is provided to the chief elections officer of the county, that person is delegated the authority to execute that agreement and return it to the Office of the Secretary of State without further approval by this Board; and
