

Proposed recommended conditions for CUP by the EAW Committee:

- 1) Conduct an independent noise study.
- 2) Identify all water resources.
- 3) Provide 25 foot buffers to all wetlands and 50 foot buffers to all springs and 100 feet to property lines, when practical.
- 4) Limit the days and hours of operation.
- 5) Limit the number of users and campers as proposed.
- 6) No events allowed.
- 7) Off highway vehicle use is limited to Club members only.
- 8) No motorcycle use between October 25th and November 25th.
- 9) No new trails are allowed to be constructed or used.
- 10) Conduct a wetland delineation prior to issuance of CUP.
- 11) Must comply with the muffler restrictions of MN Rule 6102.0040, Subp. 4, B.
