Summary of Issue:

Long Lake Conservation Center does not plan to reopen to overnight experiences until August 2021. The dining hall freezer has \$3,539.21 of frozen foods purchased (attached list). Much of this food would go to waste, expire or become freezer burned if left until August 2021. In addition, the freezer is a large consumer of electricity and it would save money if the freezer was shut down until the center is ready to reopen.

The Aitkin County Jail was approached and is interested in purchasing \$1,666.46 of the food as items that it would typically purchase from its vendors. In addition, the jail would be willing to accept all of the other items to use what it could and dispose of what it could not.

Transfer of the food will be by safe and legal means which may include hiring a refrigerator truck, catering equipment, or other approved method.

Alternatives, Options, Effects on Others/Comments:

Recommended Action/Motion:

Motion to approve Long Lake Conservation Center to sell and/or donate all of the frozen food to the jail for a sum of \$1,666.46.

Financial Impact:

Is there a cost associated with this request? Yes No

What is the total cost, with tax and shipping? \$ TBD, hiring of safe food transfer method

Is this budgeted? Yes No *Please Explain:*

Shutting down the freezer will save on electricity cost.

do not need.
