With the assistance of the IT Department, a quote was recently requested for installation of a security gate utilizing the same ArchKey technologies as currently being used in other Aitkin County facilities. The quoted cost for installation of the secure gate is \$31,140 from ArchKey Technologies, Duluth, MN.

The 2021 Capital Equipment/Facilities Budget includes \$80,000 for replacement of the diesel fuel tank and security gate/chain link fence relocation at the Aitkin Maintenance Facility. The diesel fuel tank replacement and chain link fence relocation have resulted in expenditures totaling \$60,385, leaving \$19,615 of the budgeted amount for the secure gate.
