Dear Ms. Seibert,

We appreciate your generous support for our community based program. Our mission is to organize and match neighborhood professionals and volunteer personnel with seniors in need. We provide assistance which helps older persons continue to live in their homes safely and independently for as long as possible. In addition we also provide rides to doctor visits, socialization and educational programs, an affordable meal program and delivery service, monthly foot clinics, a bi-monthly newsletter and various support groups for the community. We are continuing to look for ways to expand our services to meet the community needs.

Your grant dollars will be used to help offset the cost of our Foot Clinic program. Your generosity came at a time of great need and we are grateful that you remembered the ANGELS in your budget considerations.

On behalf of the ANGELS and its board of directors, please accept our sincere appreciation for your very generous donation of \$3,631.00 for our organization.

Very sincerely yours,

Joan McFarland
Program Director
