Dear Administrator:

The State Demographer is required by law to produce annual population and household estimates for Minnesota's cities and townships. Enclosed you will find the April 1, 2022, population and household estimates for the administrative units in your county, including all cities and townships. The city and township clerks in your county have also received a copy of their estimates.

These estimates are being sent to you for your review and comment. Questions or comments should be directed to Eric Guthrie by email or at the address listed on the letterhead. The best way to reach us is by e-mail at local.estimatedata@state.mn.us You may also reach us by phone at (651) 201-2473. You will be asked to leave a message on our voice mail system.

These estimates are subject to change and are not considered final until they are released to the Minnesota Department of Revenue in July. If there are changes to any of the places in your county, you will be notified. If you have not heard from us by July 25, 2023, you may assume that these estimates are final.

Thank you for taking time to review these estimates.

Sincerely,

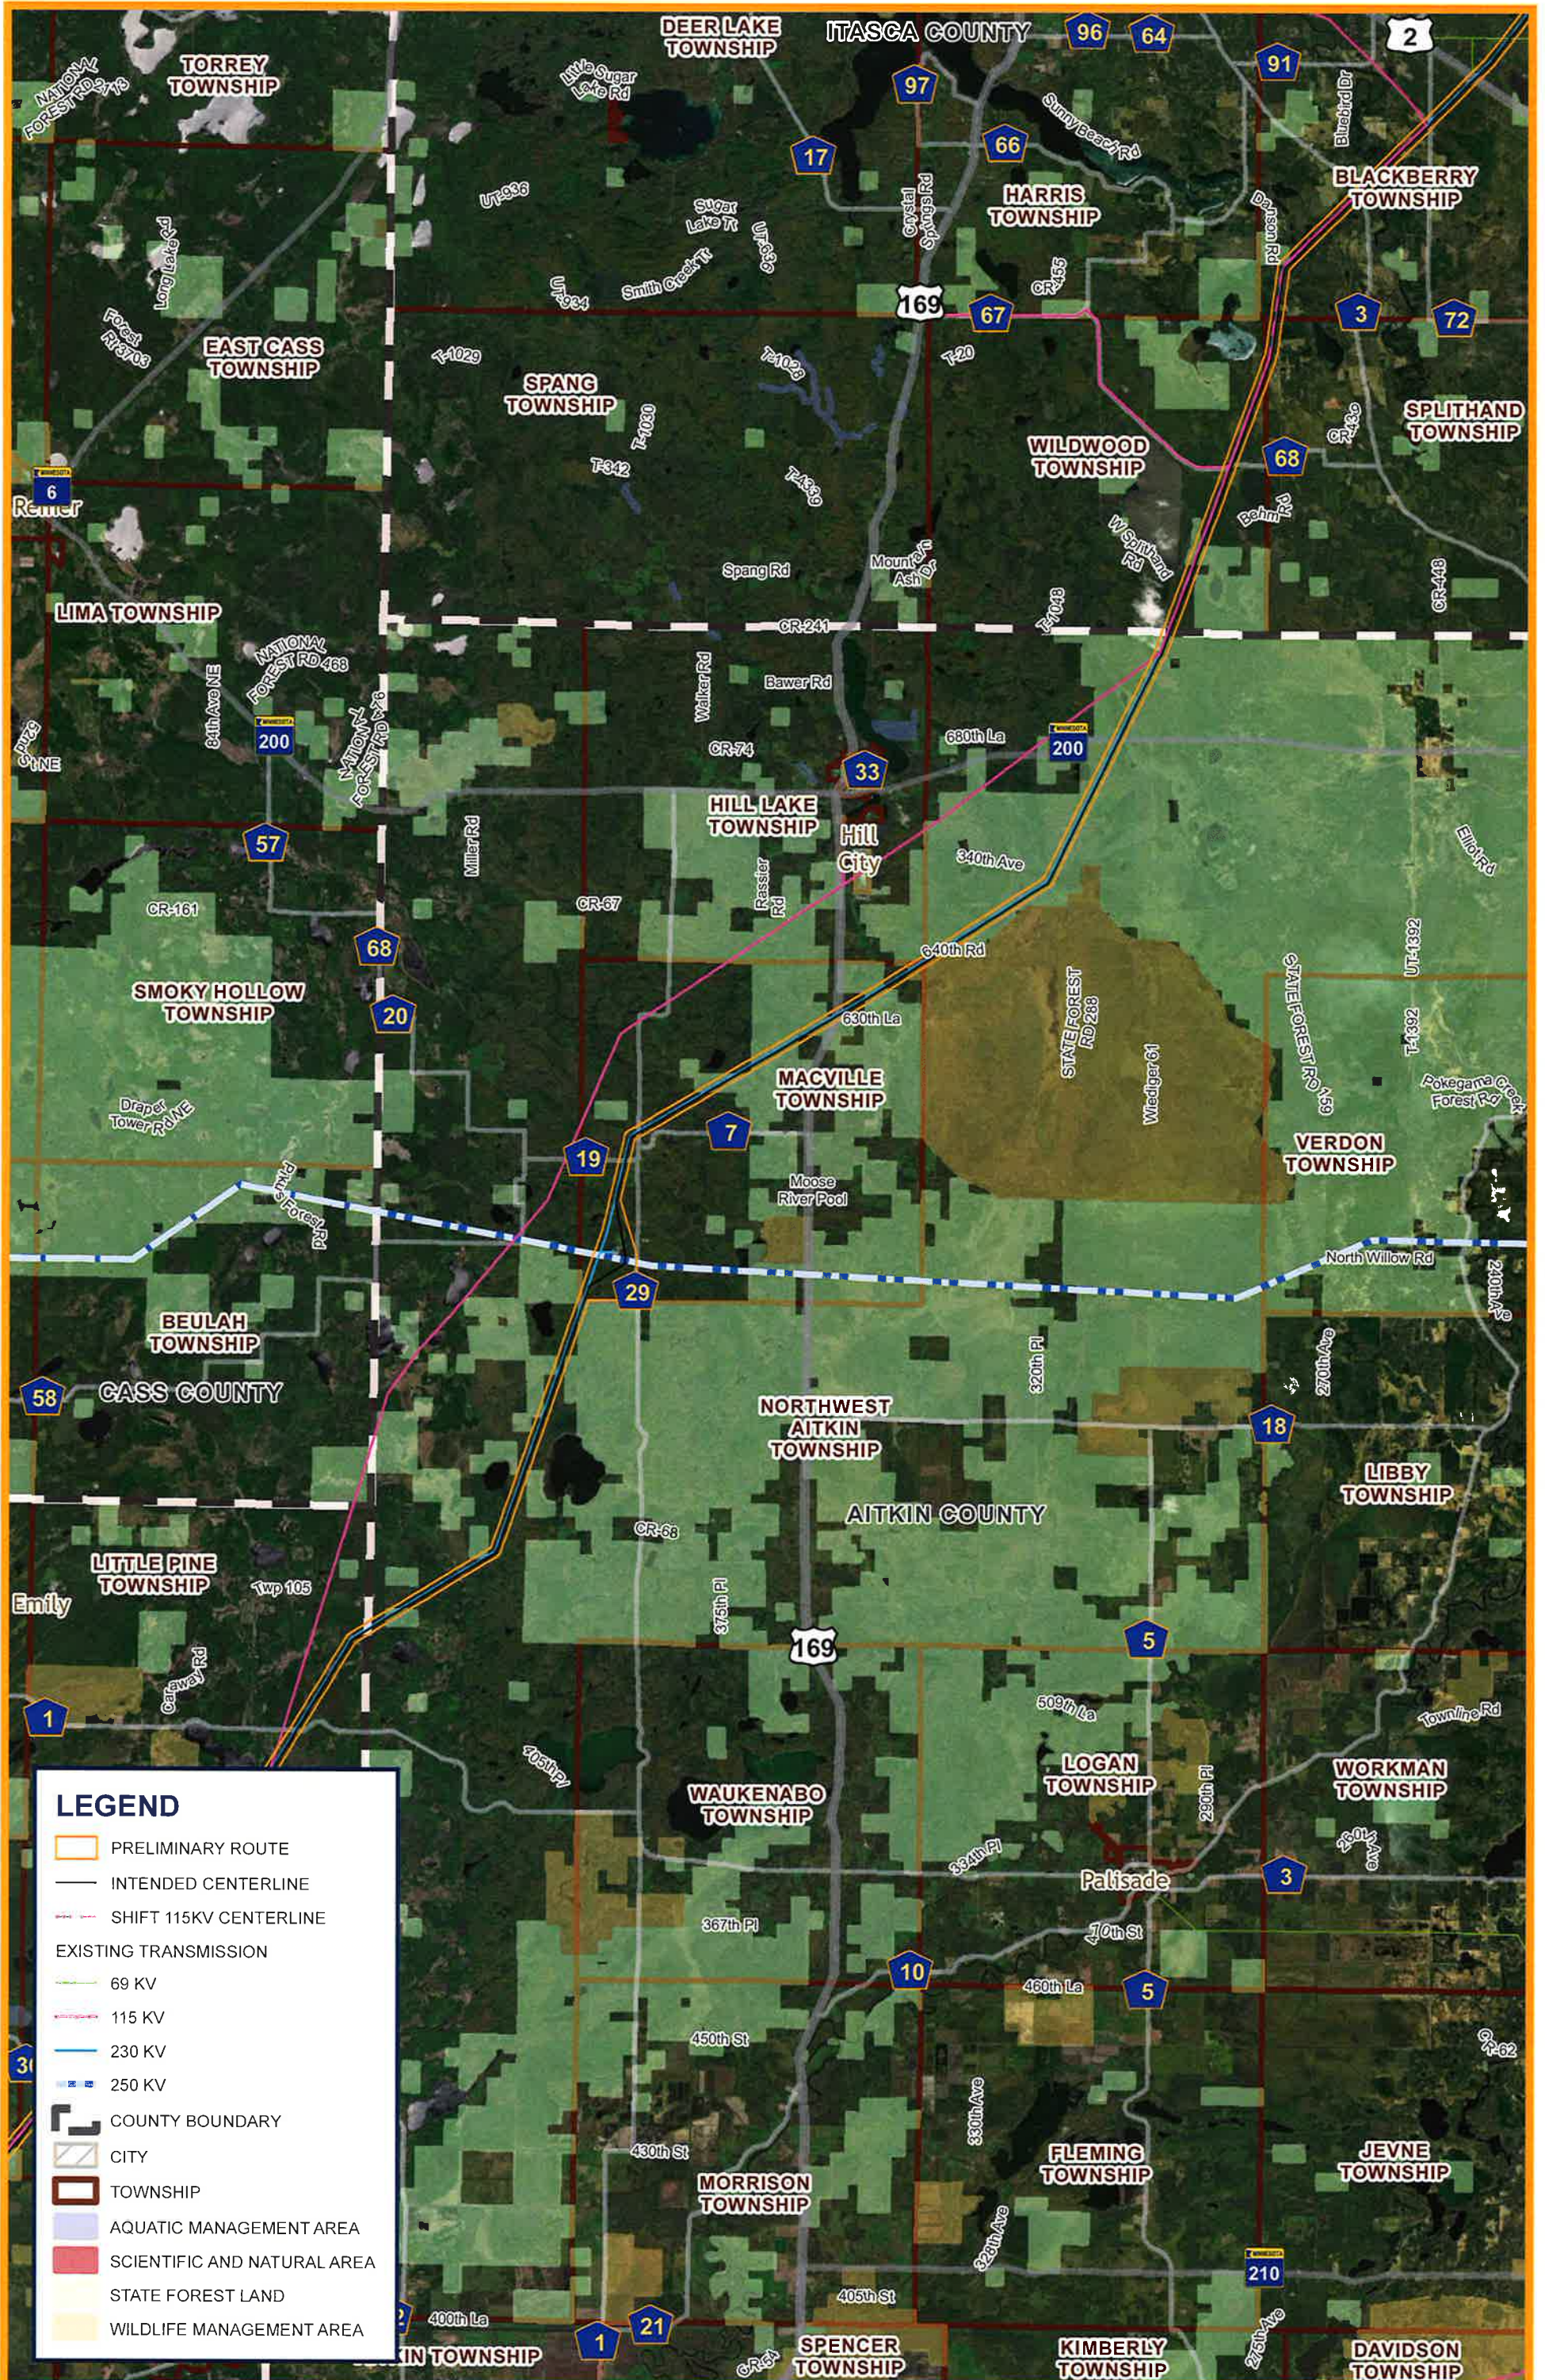

Susan Brower
State Demographer
