Summary of Issue: <p>The MnDOT Office of State Aid requests that counties periodically update their 5-year bridge replacement plans so they are able to plan, on a statewide basis, the amount of funding needed for the Local Bridge Replacement Program.</p> <p>Aitkin County updated it's bridge priority resolution in March, 2024. However, Glen Township has been working with the DNR on 298th Street over Rabbit Creek and would like to proceed with that project in 2026 to take advantage of DNR funding that will be available to fund a portion of the project.</p> <p>Therefore, the resolution that was approved in March 2024 has been revised to include this project. The revision is shown in red text.</p>
