Board of Commissioners

This letter serves as notice of my retirement on December 31, 2024.

I spent nine (9) years in the Health and Human Services Department before being elected as the County Auditor in 1998.

I have truly enjoyed the work, even the challenges. To fulfill the responsibilities of the County Auditor, one must concentrate on statutory requirements, financial stability, and risk management, priorities that often aren't popular with others in different roles. Even in times of disagreement, in times where my efforts and concerns were not necessarily appreciated, I have always strived to uphold the highest standards of integrity and fairness.

Throughout my 36 years, I have had the privilege to work alongside great staff and dedicated county commissioners. Most importantly, I am grateful for the opportunity to serve the citizens of Aitkin County.

I am confident that the work is in great hands with the Auditor's Office staff. I am committed to ensuring a smooth transition and am more than willing to assist, should the need arise.

Sincerely,
Kirk Peysar
County Auditor
